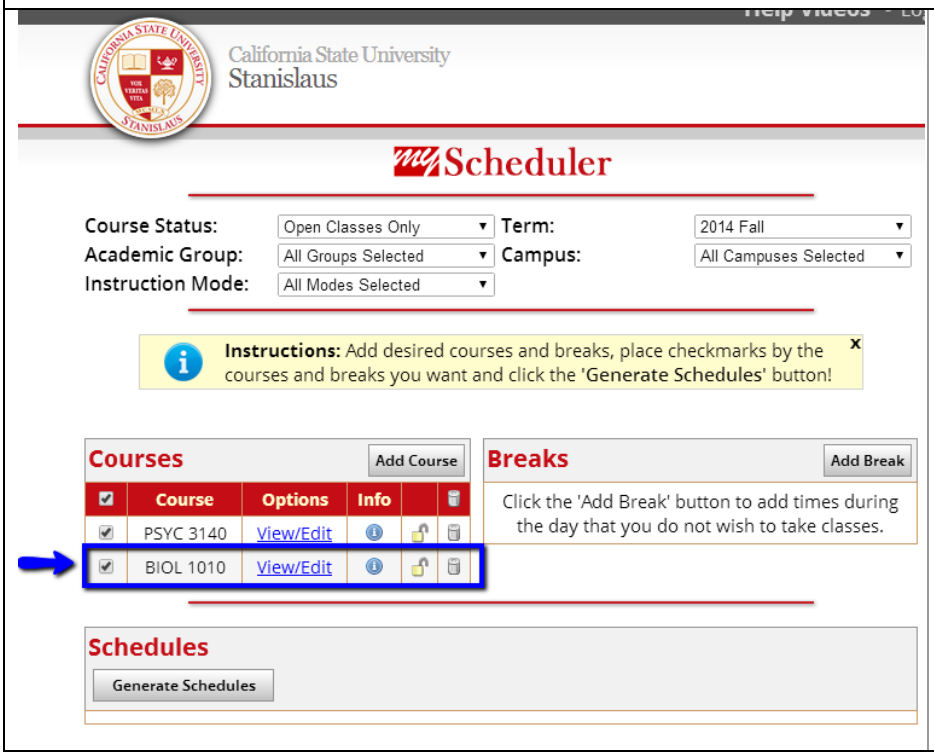
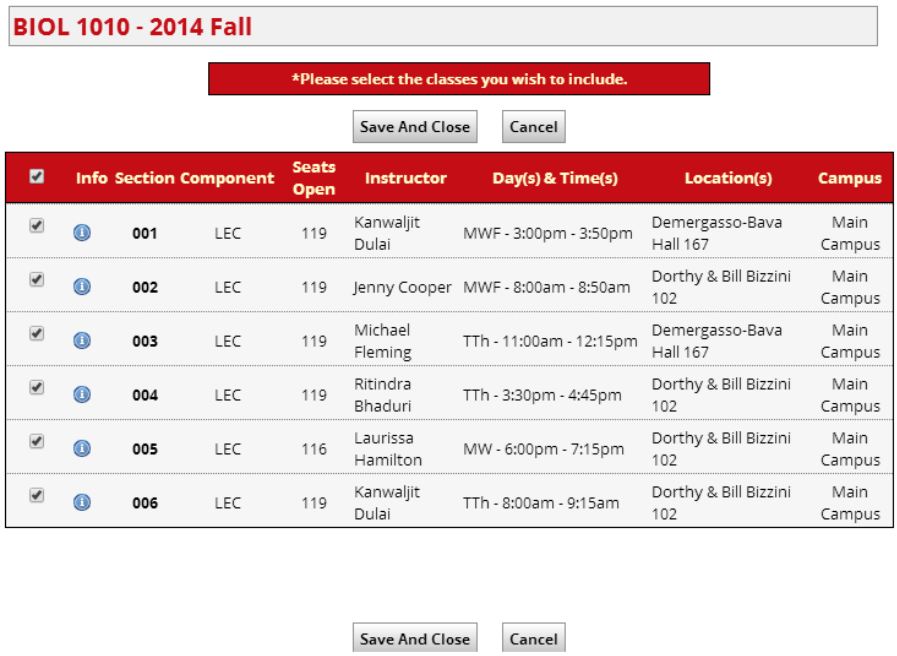
How To: Edit Course Preferences

This guide outlines the process for students to **edit course preferences** in MyScheduler.



- Click **View/Edit** for the desired course.
- Note: MyScheduler will only present schedules that meet ALL the criteria selected. It will not display options that only satisfy some of the criteria.



BIOL 1010 - 2014 Fall

*Please select the classes you wish to include.

- You can choose to only select specific sections you want.
- For example, for this class, all schedules generated will only include BIOL 1010 - Section 006.
- If you only want to take classes at the Stockton Center, only select sections where the **Location** is listed as Stockton.
- Click **Save and Close.**
