

Fall 2007 Semester Goals

The ASI Senate has developed three Fall 2007 Semester goals as part of their annual strategic planning process. This semester's goals are as follows:

1. **Ensure Student Oversight of the Student Recreation Complex**
 - a. Participate in the Student Recreation Oversight Committee
 - b. Draft By-laws, Mission, and Vision Statements
 - c. Review project budget
 - d. Ensure the project is completed in the Fall 2008 Semester
2. **Work to Revise Policies that Govern Student Clubs and Organizations**
 - a. Create a process for student input into any changes that affect student clubs and organizations
 - b. Educate students on existing policies
 - c. Protect student's rights to have their own events off-campus
3. **Create an Attendance Policy for Students Involved in University Sanctioned Events**
 - a. Protect Athletes, Student Government Officers, Theater Students, and others involved in extra-curricular activities from faculty discrimination
 - b. Amend the existing Campus-wide attendance policy
 - c. Educate students on their responsibilities in informing instructors ahead of time
