WASC Substantive Change Proposal

If new or additional programs are to be offered with the characteristics listed below, a *WASC Substantive Change Proposal* must be submitted to WASC after internal campus and CSU system approval processes are complete. WASC Substantive Change Proposal criteria, timeline, and forms are available at www.wascsenior.org

- Same program as on campus and moved to new site more than 25 miles from home campus
- Distance education program—satellite, internet, or other technology-mediated delivery mode—if more than 50% offered through technology
- Post-baccalaureate teacher credential program offered off site
- Adult completion program where entire upper division is offered off site
- Additional program at an approved site outside region
- Additional program outside WASC region
- Offering of a higher degree than previously offered (independent or joint doctorate degree)
