

**Procedure for Submitting Proposals for New Options,  
Concentrations, Special Emphases, and Minors**  
California State University, Stanislaus

---

Title of new option, concentration, special emphasis, or minor

Each new option, concentration, special emphasis, and minor is subject to review and approval by the Office of the Chancellor unless it is exempted under the provisions of Executive Order No. 283, which delegates approval authority to the Presidents. While campuses may have unique definitions, an option, a concentration, and a special emphasis are all defined for purposes of system review as an aggregate of courses within a degree major designed to give a student specialized knowledge, competence, or skill. A minor is a formal aggregate of courses in a designated subject area distinct from and outside the student's degree major, consisting of 12 or more semester units, of which at least six must be upper division (Section 40500© of Title 5).

The information required for review and approval of a proposed option, concentration, special emphasis, or minor is less detailed than for a full degree major program. Requests for approval of an option, concentration, special emphasis, or minor should follow the format on page 2.
