Getting Started: Before seeing your advisor, you should view the Catalog and Class Schedule online at www.csustan.edu. The list of advisors is posted on the door of DBH 223 or you can go to the Student Success Center in DBH 217/222. The catalog contains descriptions of all courses including prerequisites, core courses, and concentration courses. Lower division courses (numbered in the 1000s and 2000s) generally have acceptable equivalents transferable from a junior college. The junior college or the CSUS Academic Resource Center in MSR 180 should be able to advise you on this. Upper division courses (3000s and 4000s) must be taken at CSUS or another four-year institution.
