Demergasso-Bava Hall Rm. P167

Free Parking in Lots 4 and 5

John Sayles' latest movie, *AMIGO*, is set in the aftermath of the Spanish-American War when the Filipinos discovered their American allies had morphed into an army of occupation. The story is set long ago, yet the implications are very modern in that it reminds us of the poignantly “eternal truth that the innocent always suffer the most.”

Please join us for an interesting film from a provocative, independent filmmaker.
