Course Name and Number: _____

Any 4000 level courses offered within a student's MA/MS Program must be acknowledged by the instructor as containing assignments and grading which meet the higher standards of a graduate course. The methods a professor imposes to ensure more rigorous standards for graduate students are a matter of instructor preference. Additional readings, research papers, essay questions on examinations, and oral presentations are often employed to satisfy this requirement.

Instructor: Please ensure that this graduate student meets higher standards for course requirements and grading. Below please indicate what additional work this student will be asked to complete in order to fulfill the higher standards of a graduate course.
