HOW TO APPLY FOR YOUR STAFFORD LOAN

If accepting a loan, be sure to evaluate your needs and borrow only what's essential. Loans are monies you must pay back! Keep in mind you must meet Financial Aid Satisfactory Academic Progress requirements and be enrolled at least half-time (4 units Masters, 5 units all others including prerequisite Masters) in order to receive your loan.

IMPORTANT INFORMATION

Loan Entrance Counseling must be completed by all students prior to the processing of their initial Stafford Loan at CSU Stanislaus. Borrowers may complete this either in a group session or online.

Disbursements for Stafford Loan checks will begin no earlier than one week prior to the start of the semester's regular disbursement schedule. Schedules are available at the Financial Aid Office or online at your MyCSUStan Student Center log-in. If your loan covers the academic year, **they will not disburse over Winter term**. Your loan will be disbursed in two checks: one during Fall semester, and one during Spring semester.

Loan Cancellation Policy: If you have received loan funds for the Fall semester, your loan application will be cancelled by the Financial Aid Office for the remainder of the award year if you drop below half-time in the Fall term, or if you are placed on disqualification status as of the start of the Spring term. You will need to submit a new Stafford Loan Request Form for the Spring term to receive the Spring portion of the loan funds.
