## 2009/2010 STUDENT DISLOCATED WORKER VERIFICATION

You answered "Yes" to question 103 on the FAFSA which indicates that you (or your Spouse) are a dislocated worker. Please verify this information by checking the appropriate box listed below and submitting the required documentation to the Financial Aid and Scholarship Office.

1.  I (or my spouse) am receiving unemployment benefits due to being laid-off and am unlikely to return to my previous occupation. Provide proof of unemployment benefits.
2.  I (or my spouse) have been laid-off or received a lay-off notice from my job. Provide a copy of the lay-off notice from your employer.
3.  I (or my spouse) was self-employed but am now unemployed due to economic conditions or natural disaster. Provide proof by writing a personal statement.
4.  I previously provided unpaid services to the family (e.g. stay at home mom or dad) and am no longer supported by my spouse, I'm unemployed or underemployed or I'm having trouble finding employment. Provide a written statement of your situation.
5.  I checked the box by mistake and am not a dislocated worker. I realize this information may change my financial aid eligibility.
