

California State University, Stanislaus

Education: Special Education (MA)

Curriculum Map

An Alignment of Program Core Courses, Graduate Learning Goals, Program Student Learning Objectives, Assessment Methods, Instructional Emphasis, and Primary Assessment Methods

**Emphasis of Goal/Objective**

Indicates the relative emphasis the student learning objective receives in the courses: H=High, M=Med, L=Low

**Primary Assessment Method**

Indicates the primary program-level assessment method (direct and indirect) used (e.g., rubric, embedded essay question).

		Emphasis Courses					Graduate Core			
		EDSE 5220: Advanced Studies in Positive Behavior Support	EDSE 5230: Adv Stud in Curriculum, Assessment, Program Planning	EDSE 5400: Adv Seminar, Moderate/Severe Disabilities	EDSE 5450: Adv Seminar, Mild/Moderate Disabilities	Elective	EDGS 5500: Foundations in Education	EDGS 5510: Introduction to Educational Research	EDGS 5610: Quantitative Research	EDGS 5990: Thesis
Six Graduate Learning Goals	Program Learning Objectives									
Standards for Professional Level II Credential Programs										
1. Advanced knowledge, skills, values	Standard 17: Development of Specific Emphasis	H (case studies)	H (projects)	H (essay)	H (essay)	H (projects)			H (proposal)	
2. Creative, analytical, critical thinking	Standard 13: Data Based Decision Making	H (case studies)		H (essay)	H (essay)		H (essays)	H (essays)	H (essay)	H (essays)
3. Individual and collaborative research in contributing scholarship	Standard 16: Transition and transition Planning	H (project)		H (research)	H (research review)					H (thesis)
4. Global perspectives	Standard 14: Advanced Behavioral, Emotional, and Environmental Supports	H (interviews)		L (case study)	L (case study)		H (papers)			
5. New and various methods and technologies	Standard 15: Current and Emerging Research and Practice			H (research)	H (research)	H (project)		H (exams)
