## CLAD Certificate Course Equivalency Request Form

Name \_\_\_\_\_ Date \_\_\_\_\_  
ID # \_\_\_\_\_

The student has submitted documentation requesting determination of equivalency to one of the CLAD Certificate courses for the following course:

Course name and number \_\_\_\_\_  
University where course was taken \_\_\_\_\_

I have determined that the requested course is equivalent to the following CLAD certificate course:

| Course No. | Title  | Units | Equivalency |
|------------|--|-------|-------------|
| EDML 5000  | Multilingual Education in the Content Area                     | 3     |             |
| EDML 5001  | Multilingual Education Evaluation                              | 3     |             |
| EDML 5400  | Theory of Multilingual Education                               | 3     |             |
| EDML 5200  | Advanced Theories in Teaching Diverse Students <b>-OR-</b>     | 3     |             |
| EDUC 5860  | Multicultural and Global Education: Curriculum and Instruction | 3     |             |

The following is the path for students who want to request CLAD course equivalency:

- Student downloads CLAD Certificate Equivalency Request Form from website
- Student gathers documentation including course descriptions and transcripts
- Student submits documentation to CLAD Coordinator for evaluation and approval
- CLAD Coordinator returns processed documentation to student
- Student submits approved challenge of equivalency documentation with CLAD application to the Credentials Processing Center for submission to CTC
- CTC processes and approves application for CLAD certificate
- Student is awarded CLAD certificate.
