

## *Catering*

On-campus catering is required for all events within the University Student Union facilities.

Pre-determined as well as custom menus can be organized through our catering services office. For additional information regarding pricing and availability please contact the following individual to arrange for a consultation.

## *Policies and Procedures*

### **Alcohol**

Beer, wine and champagne are available through our on-campus catering service. For inquiries please call (209) 667-3634.

### **Parking**

Because permits are required to park on-campus you need to purchase a parking permit for your guests for a charge of \$50 per parking lot per day.

### **Security**

Security is required for most events on campus. These requirements will be determined upon booking.

### **Insurance**

Liability insurance is required to book our facilities. Please ask us about our optional coverage and pricing.
