

# Service Indicators

Service Indicators are used for both positive and negative indicators on a student's record. Negative Service Indicators put a hold on the student's record. Positive Service Indicators do not prohibit a student from continuing with their educational plan.

## Campus Community > Service Indicators (Student) > Service Indicator Data

### Service Indicator Data

Enter any information you have and click Search. Leave fields blank for a list of all values.

#### Find an Existing Value

**EmplID:**
