

## CALIFORNIA STATE UNIVERSITY, STANISLAUS DOCTORAL PROGRAM IN EDUCATIONAL LEADERSHIP

### APPLICATION FOR GRADUATION

A request that the doctoral degree be granted must be filed, including verification of payment of the graduation fee, with the Enrollment Services Office within the first two weeks of a semester/term in which the degree requirements are to be completed. Applications must be filed by March 1 in order for students to be listed in the commencement brochure. Failure to complete degree requirements for the degree during the term of the application necessitates the filing of a new application for the new intended term of completion.
