

### **Outstanding Research, Scholarship and Creative Activity Award**

The Research, Scholarship and Creative Activity Award is an annual award in the amount of \$1,000 to recognize the scholarly achievements of one faculty member. The recipient will be recommended to the Vice President for Academic Affairs by the Leaves and Awards Committee based on his or her career's productivity, considering primarily work accomplished at CSU Stanislaus. No one may receive the award more than once.

\*On October 31, 2001, the FAC ruled that only active full-time teaching faculty members are eligible to be nominated for Outstanding Professor, Outstanding RSCA Professor, or any other meritorious award. This includes faculty members on sabbatical leave, difference in pay leave, professional leaves of absence without pay and sick leave. This does not include faculty that have retired and retired/FERP faculty. The FAC believes that retired and retired/FERP are recognized for their meritorious service by receiving Emeritus Status.

Further information concerning the Outstanding RSCA Award may be obtained from the Office of the Academic Senate. 5/AS/00/UEPC Approved April 29, 2000.
