

Outstanding Community Service Award

The Outstanding Community Service Award is an annual award in the amount of \$1,000 to recognize one faculty member for service activities included, but not limited to, participation in the social, political, religious, and educational arenas. The recipient will be recommended to the Vice President for Academic Affairs by the Leaves and Awards Committee.

*On October 31, 2001, the FAC ruled that only active full-time teaching faculty members are eligible to be nominated for Outstanding Professor, Outstanding RSCA Professor, or any other meritorious award. This includes faculty members on sabbatical leave, difference in pay leave, professional leaves of absence without pay and sick leave. This does not include faculty that have retired and retired/FERP faculty. The FAC believes that retired and retired/FERP are recognized for their meritorious service by receiving Emeritus Status.

Further information concerning the Outstanding Community Service Award may be obtained from the Office of the Academic Senate.
