

## **Outstanding Service in Faculty Governance Award**

The Outstanding Service in Faculty Governance Award is an annual faculty award to recognize outstanding service in Faculty Governance. The recipient will be recommended to the Provost/Vice President of Academic Affairs by the Leaves and Awards Committee based on his or her career's meritorious service to CSU Stanislaus in faculty governance. The award is open to all members and associate members of the General Faculty.

\*On October 31, 2001, the FAC ruled that only active full-time teaching faculty members are eligible to be nominated for Outstanding Professor, Outstanding RSCA Professor, or any other meritorious award. This includes faculty members on sabbatical leave, difference in pay leave, professional leaves of absence without pay and sick leave. This does not include faculty that have retired and retired/FERP faculty. The FAC believes that retired and retired/FERP are recognized for their meritorious service by receiving Emeritus Status.

Further information concerning the Outstanding Service in Faculty Governance Award may be obtained from the Office of the Academic Senate.
