**TERM:** September 1, 2009 through August 31, 2010 with four (4) one-year renewals

**GENERAL TERMS**

1. The District shall provide to State University students teaching experience through practice teaching in schools and classes of the District. Such practice teaching shall be provided in such schools or classes of the District, and under the direct supervision and instruction of such employees of the District, as the District and the State through their duly authorized representatives may agree upon.

The District may, for good cause, refuse to accept for practice teaching any student of the State University assigned to practice teaching in the District, and upon request of the District, made for good cause, the State shall terminate the assignment of any student of the State University to practice teaching in the District.

"Practice teaching" as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District holding valid life diplomas or credentials issued by the State Board of Education, other than emergency or provisional credentials, authorizing them to serve as classroom teachers in the schools or classes in which the practice teaching is provided.

2. A semester unit of practice teaching for elementary and secondary schools is approximately twenty (20) minutes of practice teaching daily for five (5) days a week for fifteen (15) weeks.
3. An assignment of a student of the State University to practice teaching in schools or classes of the District shall be, at the discretion of the State, for approximately fifteen (15) weeks, but a student may be given more than one assignment by the State University to practice teaching in such schools or classes.

The assignment of a student of the State University to practice teaching in the District shall be deemed to be effective for purposes of this agreement as of the date the student presents to the proper authorities of the District the assignment card or other document given the student by the State University effecting such assignment, but not earlier than the date of such assignment as shown on such card or other document.

4. The parties agree that District is not to assume nor shall it assume by this agreement any liability under the California Worker's Compensation Insurance and Safety Act for, by or on behalf of any University students while students are on the premises of the District or while performing any duty whatsoever under the terms of this agreement or while going to or from any of District's facilities.

University shall inform each student regarding the lack of coverage for Worker's Compensation Insurance by either party.

5. The term of this agreement shall be for a period one (1) year commencing September 1, 2009 and terminating August 31, 2010, and shall be renewed automatically for additional periods of one (1) year up to a total of four (4) additional years; provided however, it may be terminated by either party after giving the other party thirty days advance written notice of its intention to so terminate; provided further, however, that any such termination by the District shall not be effective at the election of the University, as to any who at the date of mailing of said notice by the District was participating in said program until such student has completed the program for the then current academic year.
6. This agreement may at any time be altered, changed, or amended by mutual agreement of the parties in writing.

*IN WITNESS WHEREOF*, this agreement has been executed by the parties hereto as of the written date.
