CONTACT: Robert L. Borchard, AICP, Environmental Consultant

The Facilities Services Department California State University Stanislaus, as Lead Agency has prepared a Program Environmental Impact Report (PEIR) for the CSU Stanislaus Physical Master Plan Update for the campus. This Master Plan Updates the 1968 Master Plan but maintains the original campus enrollment capacity of 12,000 full-time equivalent student enrollment (FTE).

Again, we are requesting your views and comments on the content of the environmental document.

Copies of these documents can be viewed on the CSU Stanislaus Campus Web Site <http://www.csustan.edu/fs/>, or a hardcopy or CD of the PEIR is available at the Facilities Services Department. **Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than Saturday, November 29, 2008**

Please send your written response to the California State University, Stanislaus Facilities Services Department at the address shown above, attention Julia Reynoso, Director, and Facilities Planning & Finance. Please include a contact name for your agency if you are commenting on behalf of a public agency.
