Send the following items
to your Program:

Not all items are required by each program; to determine your specific program's requirements go to the Graduate School website and select your program: <http://web.csustan.edu/Grad/>

1. Program Admission Application
2. Test Scores (GMAT, GRE, MAT, etc.)
3. Letters of Recommendation
4. Personal Statement
5. Other

Admission Checklist for International Graduate Applicants

We want to help you in the admission process every step of the way. The process for getting into CSU Stanislaus consists of completing and submitting the following items for university and program admission:

1. **Online Admission Application** - Submit an online admissions application for Graduate School admissions: www.csumentor.edu. There is a \$55 non-refundable application fee that must be paid before your application will be processed.
2. **Certification of Finances Form** - Include documentation that the required funds are available to cover the first year's fees and expenses. You can access the form from this website: <http://www.csustan.edu/InternationalStudents/documents/GradFinancialStmt.pdf>
3. **Health Insurance Promissory Contract** - form available on this website: <http://www.csustan.edu/InternationalStudents/documents/HealthContract.pdf>
Note: the U.S. Customs and Immigration Service and the California State University system require that international students provide proof of health insurance prior to enrollment.

4. **English Proficiency requirement** - All graduate and post baccalaureate applicants, regardless of citizenship, whose native language is not English and whose preparatory education was principally in a language other than English, must demonstrate competence in English by taking one of the following exams:

- **Test Of English as a Foreign Language (TOEFL):** receive a minimum 550 total score and 54 part score on the Test of English as a Foreign Language (TOEFL). Some programs require a higher score. Applicants taking the Computer-Based TOEFL must present a 213 total score and 21 part score or above. Applicants taking the Internet-Based TOEFL must present a 80 total score and minimum part scores of 20 Reading, 19 Listening, 16 Writing.
- **International English Language Testing System (IELTS):** receive a minimum Band score of 6.5. Some programs may require a higher score.

5. **Official Transcripts** - One official transcript from ALL colleges you have attended or are attending. *Official* refers to transcripts that are submitted to the Graduate School in a sealed envelope. Your transcripts must indicate degrees earned.

- 6. Evaluation of Academic Credentials** - All students with coursework from countries other than the United States need to seek an outside determination of course work and degree equivalency to U.S. standards. The foreign transcripts must be evaluated by one of the approved organizations listed at the end of this checklist. These organizations are private enterprises that have been approved by the California Commission on Teacher Credentialing and they charge a fee for their services. Individuals pursuing a foreign transcript evaluation must follow the procedures outlined by the organization providing the evaluation. **In all instances, original, official documentation will be required when requesting the evaluation.**

When seeking the evaluation be sure to request a **Comprehensive/ Detailed Report**, which must include the following:

- identification of institution(s) attended, dates of attendance, credential(s) earned, and the United States educational equivalent.
- individual courses taken with semester units
- individual grade equivalents
- course levels in terms of lower and upper division, graduate and professional level for each post-secondary course evaluated
- overall grade point average

Agencies Accredited by the Commission for Foreign Transcription Evaluation

Academic Credentials Evaluation Institute

* All of the listed evaluation agencies offer rush services at an additional cost. Contact the agency for more information on fees and other requirements for the evaluation.

Program Admission

In addition to Graduate School admission, program admission is required to pursue a graduate degree or post baccalaureate credential. Many programs employ a referral system and students must be admitted to the program before they will be admitted to the Graduate School. In this case students should apply concurrently to the program and the Graduate School. Program admissions are competitive and many have specific application deadlines. Some programs have one admission date per year. For these reasons and to ensure full consideration, students are encouraged to apply to the program as early as possible. All master's degree and credential program applicants may also be required to provide additional transcripts and test scores to their graduate program department or the Credentials Office.

To determine your specific program's requirements go to the Graduate School website and select your program:

<http://www.csustan.edu/Grad/>

If you have any further questions or concerns regarding the items you need to submit to your program, please contact the Program Coordinators. Contact information can be found at: www.csustan.edu/Grad/programcontacts
