Introduction

The California State University, Stanislaus *2009 Campus Data Portfolio* is an end of year report that contains an extensive assortment of information about the students, academic programs, and employees at CSU Stanislaus. The Campus Data Portfolio reflects the interest of the academic and administrative community to have a repository of information that is useful for many purposes, including program planning and assessment, academic program review, support unit review, state and regional accreditation reporting requirements, demographic analysis, public information, and for other analytical or reference needs and reporting requirements. This publication also represents the valuable input of faculty, administrators, and staff to include an expansion of information most typically asked for and used during the college year.

The student enrollment tables along with the faculty and staff data tables in this publication display information primarily for the fall term. College or academic year data are displayed in various tables, namely full-time equivalent student (FTES) enrollments and degrees awarded. All of the data tables contain a five-year history or trend of numeric data. All of the charts display a 10-year trend. The primary data source is the University's Enrollment Reporting System (ERS) data files. A glossary of terms and definitions is included in the publication and each individual table or chart contains source information and additional notes specific to that table or chart. These data are consistent with data reported to and published in the CSU Office of the Chancellor's *Statistical Abstract* and *Statistical Report* and the *National Center for Education Statistics' Integrated Postsecondary Education Data System (IPEDS)*. The 2009 Campus Data Portfolio is divided into the following six sections:

General Information
Current listing of undergraduate and graduate degrees programs offered, and accredited programs.

Student Enrollment
Fall term headcount enrollments by college, degree program, student level, and demographic characteristics, as well as full-time equivalent student (FTES) enrollments for the college year. Also includes various headcount and FTES enrollment data for the Stockton Off-Campus Center.

Entering Students
Fall term headcount enrollments by college, degree program, and demographic characteristics for first-time freshmen and first-time undergraduate transfers.

Student Achievement
Degrees awarded by college, degree program, degree level, and demographic characteristics for the college year and retention, and graduation rate data tables for first-time freshmen and first-time undergraduate transfers.

Faculty and Staff
Fall term employee counts with demographic information.

University and Student Services
Library expenditures, University Extended Education enrollments and number of course sections offered, Study Abroad enrollments and country of attendance, fraternity and sorority chapter members, and a current list of student clubs and organizations.

In efforts to improve access and utility, this publication is posted online at the Office of Institutional Research webpage and includes the option to download the full report in PDF format, or download individual tables in PDF or Excel formats. While paying close attention to the needs of the University community, the Office of Institutional Research is also engaging in efforts to accommodate the impact of the challenges faced by the budget and will not be offering a hard-copy publication of the 2009 Campus Data Portfolio at this time.

In a final note, the Office of Institutional Research will be expanding the Campus Data Portfolio into a series of annual statistical reports representing the winter term, spring semester, and summer sessions.

The Office of Institutional Research welcomes any feedback or ideas that may assist in the development and delivery of informative and useful statistical tables.

Angel A. Sanchez, Ph.D.
Director, Office of Institutional Research

CALIFORNIA STATE UNIVERSITY, STANISLAUS
DEFINITIONS

Census date: Close of the fourth week of instruction.
Bachelor: All undergraduate students, e.g. freshmen, sophomore, junior, and senior level, and postbaccaulaureate students seeking a second bachelor's degree as of census date (excluding postbaccs concurrently enrolled in a Credential program. This is consistent with IPEDS definition of undergraduate students.
Note: Headcount enrollments for the following groups of students, i.e., Credential, Postbaccalaureate, and Graduate, are reported in the aggregate as Graduate level students for IPEDS reporting purposes, but disaggregated for internal reporting purposes. Students admitted and enrolled in multiple programs as of the fall census date are counted only once in the primary program.
Credential: Postbaccalaureate students admitted and enrolled in CSU CCTC-Approved credential or subject matter waiver programs as of census date (excluding students concurrently enrolled in a Master's or Doctorate degree program).
Postbaccalaureate: Students who hold a baccalaureate or equivalent degree who have not been officially admitted to a Master's or Doctorate degree program, credential program, and/or undergraduate degree program as of census date.
Graduate: Students who hold a baccalaureate or equivalent degree who have been officially admitted to a Master's or Doctorate degree program as of census date. Students who are concurrently enrolled in a credential program are only included in the Graduate category.
Primary Service Region: Calaveras, Mariposa, Merced, San Joaquin, Stanislaus, and Tuolumne Counties.
College Year: Summer, fall, winter, and spring terms.
Academic Year: Fall, winter, and spring terms.
Official Off-Campus Center: The Stockton campus is the only official off-campus center. Stockton enrollments headcounts and FTES include students who are enrolled in one or more courses at the Stockton campus as of census date.
Full-Time Bachelor students: Students attempting 12 or more semester units as of fall census date.
Part-Time Bachelor students: Students attempting fewer than 12 semester units as of fall census date.
Full-Time Credential/Postbaccalaureate/Graduate students: Students attempting 9 or more semester units as of fall census date.
Part-Time Credential/Postbaccalaureate/Graduate students: Students attempting fewer than 9 semester units as of fall census date.
Freshman: Students with fewer than 30 accumulated semester credit hours as of census date.
Sophomore: 30 to fewer than 60 accumulated semester credit hours as of census date.
Junior: 60 to fewer than 90 accumulated semester credit hours as of census date.
Senior: 90 or more accumulated semester credit hours as of census date.
College data: Data reported by college are disaggregated based on the current six-college structure.
Interdisciplinary degree programs: Special Major (BA/BS) and Interdisciplinary Studies (MA/MS) are interdisciplinary degree programs and therefore are not assigned a college. However, enrollments and degrees conferred in these programs are reported with the College of Humanities & Social Sciences in this publication.
Discontinued degree program: The Bachelor of Vocational Education (BVE) was discontinued effective fall 2003.
Suspended degree program: The Bachelor of Arts in French (BA) was suspended effective fall 2006. The Bachelor of Science in Computer Information Systems will be suspended effective fall 2010.
Degree program name changes: The Bachelor of Arts in Liberal Studies: Elementary Teaching Content Preparation was formerly the Bachelor of Arts in Liberal Studies. The Bachelor of Science in Applied Leadership was formerly the Bachelor of Science in Applied Studies. The Bachelor of Arts in Kinesiology was formerly the Bachelor of Arts in Physical Education.

TABLE 6.2
CALIFORNIA STATE UNIVERSITY, STANISLAUS
UNIVERSITY EXTENDED EDUCATION HEADCOUNT ENROLLMENT BY TYPE OF COURSE
Academic Year 2005-06, 2006-07, 2007-08, 2008-09 and 2009-10

TYPE OF COURSE	2005-06	2006-07	2007-08	2008-09	2009-10
Summer Session					
Special Session	326	274	595	450	
Regular Extension	52	40	44	1,663	
Contract	1,715	1,628	2,298		
Open University	508	508	492	518	
Non-Credit	1,070	1,910	824	720	
CSU STANISLAUS TOTAL	3,671	4,360	4,253	3,351	

Notes: Summer Session includes credit courses; Special Session involves university courses offered for a specific group of people outside of the normal semester timeframe; Regular Extension includes credit courses used to meet professional requirements that do not apply toward a degree; Contract includes courses the university provides for continuing education units that are offered by other entities and institutions; Open University - students in these for-credit courses are not required to formally enroll at the university; Non-Credit includes professional development courses, including CEU (Continuing Education Units) courses. Beginning with 2001-02, Summer Session classes were offered via state support, which resulted in Open University being available to students during summer term. In 2008-09 and 2009-10 there is no differentiation between Regular Extension and Contract. They will be classified as Regular Extension. 2009-10 data will be provided at a later date.
