

Exam 1 Review, Math 1070

Exam 1 is on Friday, October 2nd. The exam will cover Chapters 1 and §2.1 - §2.4. Here are some good review questions from the chapter review problems. The actual exam might be of a different format, but these will help you understand the concepts covered on the exam. Try to do as many of these as you can without looking in your notes or book for guidance.

Ch1 Rev (pg 56-58): 1, 4, 5b, 9, 10, 14, 15, 19, 23, 31, 45, 50, 61, 63, 71, 77, 83, 86

Ch2 Rev (pg 129-132) (Remember to allow for complex answers.):1, 3, 4, 9, 10, 13, 15, 21, 25, 51, 53, 55, 60, 61, 63, 75
