

PRE-LICENSURE FOR CSU STANISLAUS NURSING PROGRAM
HECCC GRID
2011-2012
Established Fall 2002

This grid represents comparable lower division course preparation for admission to the Pre-licensure Nursing at CSU Stanislaus. It is published for informational purposes only. Although every effort has been made to ensure its accuracy, it is not considered an irrevocable contract between HECCC and the student. HECCC reserves the right to change provisions and descriptions at any time while taking precautions that such changes do not adversely affect enrolled students. Students are advised to consult their college counselor for supplementary information

***MERCED:** CSU Stanislaus has approved COMM 05 as a substitution for COMM 01, COMM 01H, or COMM 04.

CSU STANISLAUS: Students will be enrolled in the pre-licensure program each fall and spring. At least four (4) of the prerequisite courses must be completed at the time of application to the program, including at least 2 science prerequisite courses and at least 2 non-science prerequisites. Remaining prerequisite courses may be in progress at the *time of the nursing application*, and one course may be taken in the summer prior to Fall entry. Evidence of completion or work in progress is required for the application. A final grade of “C” or better in any outstanding course is required to enter the program. All prerequisite courses must be passed with a C- or better, CR/NC grades will not be accepted.

An acceptable Inorganic-Organic Chemistry course sequence may substitute for a Bio Chemistry course.

This is an impacted program and supplemental criteria are used for the selection of students. Applicants must have a minimum overall GPA of 3.0, a GPA of 2.75 in the science prerequisite courses and a 2.75 in non-science prerequisite courses and complete the ATI Tests of Academic Skills with a minimum test score (Adjusted Individual Total Score) of 75% for version 4 and 67% for version 5. Effective Fall 2012, no more than 1 science prerequisite course may be repeated and no more than 1 non-science prerequisite course may be repeated. Additional points can be awarded for the following:

- a. Continuing CSU Stanislaus student with last 9 units completed on campus
- b. Permanent residency in Calaveras, Mariposa, Merced, San Joaquin, Stanislaus, or Tuolumne counties (the CSU Stanislaus service region)
- c. Health care experience (paid or volunteer)
- d. Bilingual (fluent or some)

Applicants will be ranked and selected according to overall GPA, science GPA, non-science GPA, ATI score, and any additional points gained from the categories listed above. Alternates are encouraged to complete any outstanding prerequisites. Should any openings in the program occur, alternates may be offered admission up to the 3rd week of classes, provided all prerequisites have been completed.

The application period for admission to the nursing program for the fall semester is the month of January. The application period for admission to the nursing program for the spring semester is the month of September. Students need to apply to the university during the priority admission filing period AND be admitted to the university by the last day of the filing period for the application to the nursing program.

Students should consult the CSU Stanislaus nursing department web page for more information: www.csustan.edu/nursing.
