CAMPUS SPECIFIC NOTES:

SAN JOAQUIN DELTA COLLEGE:

Radiologic Technology is a 24-month program offered by San Joaquin General Hospital and approved by the Joint Review Committee on Education in Radiologic Technology. Completion of the program allows graduates to take the state and national examinations for registration in Medical Radiologic Technology. A 40-hour per week training schedule is maintained. Classes begin on or about July 1 of each year.

Additional Admission Information:

For complete admission information and forms visit the Health Sciences Division home page. The Health Sciences home page may be accessed by selecting "Health Sciences" under "Academics" on the Delta College home page, (www.deltacollege.edu), or directly at:

<http://www.deltacollege.edu/div/hs/index.html>. The Health Sciences Division office is located in Locke 213, and may be reached by phone at (209) 954-5454.
