

## Registration

**Schedule of Classes.** To facilitate academic advising for registration, the Schedule of Classes for Summer and Fall are normally available to students in early April, and for Winter and Spring in mid-October. Students should always be directed to the Class Schedule website at <http://www.csustan.edu/classschedule/> for general information, registration, and fees dates and deadlines.

**Registration.** Students may register during the priority period through the last day of open registration on MyCSUStan. Permission numbers are required on or after the first day of classes. Students may use the permission number from the instructor to register in the class using MyCSUStan.

**Enrollment Census Date.** The enrollment Census Date is the twentieth day of instruction for Fall and Spring semesters. Census dates for Special Session Winter and Summer are determined by Extended Education and can be found under general information at their website.
