The purpose of this table is for the applicant to list any and all courses that he/she may have already completed so that the Credential Processing Center can give the candidate proper credit. Before completing this table, the applicants should review the section on in the MSCP Informational Pamphlet at the MSCP website at

http://www.csustan.edu/TeacherEd/pages/CredentialDegreeInfo/MultiSubjCredProg/pdfs/BriefInformationalPamphlet.pdf

– without this prior review the courses and requirements listed on the left column may not make sense. The Methods Courses refer to reading, math, science & social studies methods and would only have been completed by students who had previously enrolled in another credential program.

Student Identification or Social Security Number _______________

Note: You may apply to the Credential Program prior to completing this requirement. However, this requirement must be met prior to taking any Level I – Methods Course in the Credential Program.

EXECUTIVE ORDER 758, “Teacher Education Basic Credential Programs,” issued by the CSU Chancellor on October 6, 2000, requires that “The candidate shall have completed a documented field experience of at least 45 hours in a K-12 classroom or a documented field experience deemed equivalent by the campus receiving the application for admission.”

This requirement may be met through a number of avenues. The following courses at CSU Stanislaus require 30 hrs of observation: LIBS 1000, LIBS 2000, LIBS 3000, EDUC 4200. IF YOU COMPLETED OR ARE ENROLLED IN ONE OF THESE COURSES, LIST THE COURSE. NO SIGNATURE IS NEEDED ON THE LAST COLUMN.

Modesto Junior College, Delta College and Merced College also have courses that equate to the LIBS 1000 & 2000 courses. IF YOU COMPLETED A JUNIOR COLLEGE COURSE THAT REQUIRES FIELD EXPERIENCE, JUST ATTACH A CATALOGUE DESCRIPTION OF THE COURSE THAT SHOWS HOW MANY HOURS WERE REQUIRED. NO SIGNATURE WILL BE NEEDED. If there is no catalogue description showing the hours, you must get a signature from the course instructor.

Many other courses require students to complete hours of observation/field work in schools. If you work in the schools as a volunteer, instructional aide, tutor, or substitute teacher, you may also include these hours. If the hours of Early Field Experience were not completed in one of these courses listed above, be sure to obtain a verifying signature from the professor, principal or teacher.

This form should be submitted to the Credential Processing Center only after the hours have been completed.

Goals of Early Field Experience: The main purposes of the Early Field Experience Requirement are to observe: 1) the texts and instructional materials used in schools; 2) the student interactions; 3) the student/teacher interactions; 4) the grouping of students for instruction; 5) the classroom management strategies used by the teacher; 6) the planning and delivery of lesson plans; 7) and how schools function.

TECHNOLOGY PROFICIENCY OF CANDIDATES ENROLLING IN MULTIPLE SUBJECT CREDENTIAL PROGRAM

NOT REQUIRED FOR CSU STANISLAUS LIBS MAJORS

Applicant’s Name __________________________________ Identification Number ___________________________

I verify that the information provided below is accurate and that submitted materials are my own independent work.

Student Signature

The California Commission on Teacher Credentialing requires that students applying for entry into multiple subject or single subject credential programs demonstrate proficiency with technology. You can satisfy this requirement in one of two ways: by completing one of the courses below or by submitted documentation as noted. SELECT ONE.

1. Completion of Coursework.
   Any coursework submitted for consideration must be completed with a grade of C/CR or above. Equivalent courses may be transferred from other institutions. If you completed a course other than those listed below, you must staple the catalog description or syllabus of the course to this form. The description/syllabus must document that the course content/assignments included the use of word processing, email, Internet searches, and one additional type of software. Note semester of completion on the appropriate line.

   California State University, Stanislaus Courses
   - CIS 2000
   - COGS 3100
   - CS 1000
   - CS 2000
   - CS 4000
   - MUS 2150
   - MUS 2160
   - PHED 3370
   - PHED 4300
   - Other university course

   Community College Courses
   - Delta College CS 11
   - Delta College CS 18B
   - Merced College CPSC 30
   - Merced College CS 24
   - MJC CMPSC 201
   - MJC CMPSC 203
   - Other college course

2. Documentation submission demonstrating your technology proficiency.
   The documentation must include appropriate artifacts as noted below to demonstrate your attainment of each proficiency. Staple documentation to this form.
   - Word Processor: Attach two different types of documents (essay, report, newsletter, etc.) to demonstrate that you can effectively communicate ideas in a print format. This should include effective use of format features (page numbers, alignment, font and size changes, spell-check, graphics, tables, tabs, etc.)
   - Email: Include two printed samples that show you know how to successfully send and reply to messages, and that you can send and receive attachments.
   - Internet: Include one sample which demonstrates that you can effectively find appropriate information from credible Internet sources, and that you can cite the source in either APA or MLA format. Write a one-paragraph narrative explaining criteria that you would use to determine if sources are valid, and explain how you search for information on the Internet.
   - One additional technology tool: Include a printed sample that demonstrates your capacity to communicate through one additional technology tool such as spreadsheets, databases, presentation software, web page creation programs, or other multimedia programs.

Credential Candidates: Do not write below this line.
