

## 2015-2016 School Year - Classroom Teacher & Teacher on Special Assignment Positions

### Who We Are

The San Francisco Unified School District (SFUSD) is the seventh largest school district in California, every year serving more than 55,000 students who speak more than 44 documented languages in our 131 schools across the city of San Francisco. We aim to provide each student with an equal opportunity to succeed by promoting intellectual growth, creativity, self-discipline, cultural and linguistic sensitivity, democratic responsibility, economic competence, and physical and mental health so that each student can achieve his or her maximum potential. Every day in our quest to achieve this mission we place access and equity, student achievement, and accountability at the forefront of every child's education.

### What It Means to Work Here

The San Francisco Unified School District's strategic plan, "[Impact Learning. Impact Lives.](#)" places access and equity, student achievement, and accountability at the forefront of every child's education. The ideas and actions in the plan focus on one central idea: every child has the right to be well-educated. SFUSD hires teachers and other credentialed professionals who are committed to delivering rigorous instruction to all students, continuous learning and improvement, creating a culturally responsive classroom environment, and building meaningful connections with families and the community.

As a San Francisco public school educator, you will have the opportunity to work with a diverse group of students alongside supportive and talented colleagues. You will be an integral part of the district's effort to ensure that every student who enrolls in our schools will graduate ready for college, career, and life.

### Who We Want

We want talented people from diverse backgrounds and experiences, who are inspired by our mission steeped in equity, and who are motivated to unleash our children's potential. We want people who are strong collaborators, skilled communicators, problem solvers and who are comfortable in a community of continuous learning.

**We have particularly high needs for, Special Education, Bilingual Education and Middle School Core (Single Subject English & Single Subject Social Studies; OR – Single Subject Mathematics and Single Subject Science) Teachers**

### ESSENTIAL DUTIES AND RESPONSIBILITIES

In accordance with the California Standards of the Teaching Profession, teachers work under the supervision of site or central office administrators and in collaboration with their school staff, families and community and are responsible for the fulfillment of the essential duties set forth below:

1. Support School-Wide Academic Performance Goals
2. Deliver Rigorous Instruction to all Students
3. Develop a Culturally Responsive Classroom Environment

4. Improve Standards of Practice for Self and Colleagues
5. Build Connections with Families and Community to Support Student Learning
6. Other duties as assigned by the principal and/or school site administrators

The length of the work year for all teachers is 184 days of service, except department heads and deans/head counselors have 189 days of service. Principal expectations vary by school site. You may access and read individual school profiles and academic plans at the following link:
