### Program Review Departmental Survey

The survey is designed to help us assess California State University, Stanislaus' academic programs. Student feedback is a very important component of a total evaluation program. This survey should take you about 10 minutes to complete. *Your responses are completely confidential.* We ask for your student identification number only to compile statistics on retention for your class and to eliminate the need to ask for background information about your race, gender, major, etc. Your individual completed survey will be processed by the office of Institutional Research and will not be seen by faculty in the department. Thank you for your help!

Please indicate your nine-digit student identification number (this is not your Social Security Number): \_\_\_\_\_
