HIRES STAN STATE

Job Postings

Reach our Warrior students and alumni by posting your job, internship, volunteer, part-time and temporary positions to Hire Stan State powered by Handshake, our free online job listing service.

Career Fairs

The Career & Professional Development Center offers 2 All Major career fairs per year, giving employers the ability to connect directly with students and alumni. Attending a Career Fair is also one of the most effective ways you can gain visibility and build invaluable relationships on campus. Special rates are available for our government and non-profit partners.

Table in the Quad on Warrior Wednesday

Schedule a table in our beautiful campus Quad with other community groups, employers, clubs and orgs. During this time, you can capture a large audience of students, bringing visibility to your company. This event also provides you the opportunity to share details on your company, give away SWAG and invite students to attend your coinciding Info Session.

**This is not a service we can provide virtually*

Information Sessions

Info Sessions are open to all students and are an effective way to inform them about your employment opportunities while increasing your branding and visibility on campus. These events can be conducted on their own or arranged to coincide with your on-campus- interview or Table in the Quad.

On-Campus Interviews

Speak with promising candidates in the comfort of our private interview rooms, free of charge. Pre-screening options allow employers to choose the applicants whose skills and experience best align with job requirements. Our online scheduling system (Handshake) will do the work for you by eliminating the time and effort involved in contacting candidates individually.
