

Deans and Honors List

Every Fall and Spring, the College of Science Dean's office notifies students who made the Deans and Honors list. Students receive a congratulatory letter along with a certificate sent to their @csustan.edu email. For questions about your status, or questions regarding your GPA, please contact [Enrollment Services](#). The Dean's office publishes information provided by the University.

- At this time, the Dean's office is not printing certificates.
- Certificates are in PDF format so students have the opportunity to print them.
- If you would like your name removed from public platforms, please contact [Enrollment Services](#) to fill out the appropriate paperwork.
-

To qualify for the Deans list during the semester under consideration, a student must:

- Register for and earn a minimum of 12 units of credit of graded coursework at the university, and
- Achieve a 3.5 grade point average for all coursework attempted at the University that semester.

To qualify for the Honors list during the semester under consideration, a student must:

- Register for and earn a minimum of 8 to 11 units of graded coursework at the university, and
- Achieve a 3.5 grade point average for all coursework attempted at the University that semester.
