

Faculty Recommendation

The Writing Center needs your help to identify students to become tutors. Faculty recommendations of prospective tutors are a key tool in finding qualified student for the peer-led one-on-one and group tutoring sessions. While there are additional criteria for becoming a writing tutor, faculty recommendation is an important part of the hiring decision. Thank you for considering the students in your classes. If you can think of at least one student who has the makings of a good tutor, we encourage you to use this form to let us know about her or him. This form may also be a request from a student for your faculty recommendation. Both methods of recommendation are encouraged.
