

EDCL 5850 FIELD EXPERIENCE
Semester Self-Evaluation Form by Student Counselor

Name: _____ **Date:** _____

Please take a few minutes to reflect on your work during the semester in your Field Placement, and then rate yourself on the criteria listed below. At the end, please add comments on what you feel good about accomplishing, as well as what skills you still need to develop.

Rating Scale:

5 – I reliably demonstrate this more than is expected of a Field Placement student

4 – I have shown several times that I can do this

3 – I do this to an average degree for a Field Placement student

2 – I can do this if I make a deliberate effort

1 – I do not feel I have demonstrated this

Rating Criteria:

___ Timely management of the tasks and responsibilities in arranging and conducting counseling sessions

___ Ability to establish and maintain rapport with clients

___ Effective communication skills

___ Nonjudgmental and nondiscriminatory attitudes and behaviors

___ Appropriate personal and professional boundaries

___ Willingness to share and look at personal issues, as well as an ability to separate these from the counseling process

___ Ability to be flexible and to use a variety of counseling skills and strategies depending on client need

___ Ability to integrate knowledge and theory base with practical application

___ Recognition of personal strengths and weaknesses and openness to constructive feedback

___ Ability to structure a counseling session (especially openings and closings of sessions)

___ Evidence of empathy, acceptance, respect of clients and classmates

- ___ Use of open-ended questions, restatements, and clarifications
- ___ Attention to ethical issues
- ___ Timely and appropriate completion of case notes
- ___ Reflective introspection, showing evidence of personal and professional growth as a counselor
- ___ Ability to acknowledge personal limitations and to determine an appropriate course of action (referral, etc.)
- ___ Overall evidence of professionalism
