Hello everyone,

I am excited to present this special edition of our bulletin to you. The Agricultural Ambassadors student organization executive team has been able to put together a list of exciting activities and events for this Spring semester. These activities are designed to share the Stan State Ag experience with you. We also use this edition to introduce new students joining us this Spring. So, enjoy and have a productive rest of the semester.

As always, feel free to contact me at odehl@csustan.edu if I can be of any assistance to you or, if I can make your Stan State experience a bit more enjoyable.

From Your 2016-2017 Team

Hello Ag Ambassadors!

I am super excited for what this semester has in store! We as a club are at a pivotal point and now more than ever is YOUR participation necessary! Our department is growing so naturally our club is too. This semester, we are introducing new events and bringing back favorites like, CSA boxes, Stan Plant Sale, Aggie fieldtrip, National Ag Day and so much more. For the first time ever in our Ag. Department's history, we as a club are offering 1 club internship and 4 research assistant positions, meant to fulfill the graduation requirement and build practical experience! Swing by the office and get your application today!

Our new point system will allow us all to stay connected and receive benefits for being active in our wonderful club! We have many activities and events meant for you to rack up your points so I hope you join in! We will be putting together club events and events meant for professional development and networking! Come out and hang with me and the rest of the team! Be there or be square!

Raquel Gomez

Ag. Ambassador President

Dear Agriculture Ambassadors members and supporters:

The 2016-2017 Agriculture Ambassadors executive team is thrilled to offer you a fun filled semester of opportunities and activities. The Agricultural Studies Program provides growth and leadership opportunities for students through its Ag Ambassadors Club. As part of the Associated Students Incorporated, Ag Ambassadors take advantage of many leadership and professional development opportunities to organize, carry out and participate in a variety of skill building and community service activities and events throughout the year. They are an integral part of the Agricultural Studies Program.

We would like to invite you to join us on our journey to build a future and leave a legacy. We would also hope that each of you will gain valuable friendships along the way that you too can treasure for a lifetime! We have all found a deeply rooted passion for Agriculture and enjoy this opportunity to share it with all of you. There is so much our organization has to offer and it is just as diverse as the Agriculture industry itself. We hope that each of you take advantage of the opportunities ahead of you to gain experience and become a better leader, friend and team member. We look forward to seeing you all soon. If you ever have any questions feel free to contact an executive team member. Talk soon, and remember GO WARRIORS!
