

CURRICULUM VITAE

SARI MILLER-ANTONIO

September 2018

ADDRESS California State University, Stanislaus
One University Circle
Turlock, CA 95382
Phone: (209) 667-3604; 667-3403
Email: smillerantonio@csustan.edu

CITIZENSHIP USA

EDUCATION

1974 B.A. in Geology, Colgate University, Hamilton, NY
Phi Beta Kappa, Cum Laude
1987 M.A. in Anthropology, University of Arizona, Tucson, AZ
1992 Ph.D. in Anthropology, University of Arizona, Tucson, AZ
Dissertation Title: *Lithic Variability and the Cultural Elaboration of Upper Pleistocene North China.*

ACADEMIC AND RESEARCH POSITIONS

Current Associate Dean of the College of the Arts, Humanities and Social Sciences
2015-2018 Chair, Department of Anthropology, Geography and Ethnic Studies
2009-2012 Director of Anthropology, California State University, Stanislaus
2008-2010 Interim Associate Dean, College of Humanities and Social Sciences
2006-2009 Chair, Department of Anthropology and Geography
2005-2008 Chair, Department of Ethnic and Gender Studies
2003 Professor of Anthropology, California State University, Stanislaus
2000-2003 Chair, Department of Anthropology and Geography
1998-2003 Associate Professor of Anthropology, California State University, Stanislaus
1993-1998 Assistant Professor of Anthropology and Asian American Studies, California State University, Stanislaus
1992-93 Visiting Scholar, University of Arizona, Department of Anthropology
1992 Associate Faculty, Pima College, Tucson, Arizona
Staff Archaeologist, University of Arizona excavations at La Quina, France
1987-90 Staff Archaeologist, University of Arizona and Chinese Academy of Sciences, Xinjiang Branch, People's Republic of China
1987-88 Visiting Archaeologist, The Bishop Museum, Honolulu, Hawai'i
1984-85 Chemist, Research Associate, Pacific Biomedical Research Center, Honolulu
1981-82 Chemist, Naval Oceans Systems Center, Kailua, Hawai'i
1979-80 Chemist, Research Associate, Pacific Biomedical Research Center, Honolulu

GRANTS AND AWARDS

- 2017 California Humanities, Humanities for All Quick Grant, *Native Voices in the Central Valley*
- 2014-2015 Outstanding Research, Scholarship and Creative Activity Professor Award, CSU Stanislaus
- 2012 WM Keck Foundation, Undergraduate Education Program for the Keck Visual Anthropology Lab (S. Steve Arounsack, co-PI). Awarded: \$250,000
- 2009 Nippon Foundation Award (book donation to CSU Stanislaus Library)
- 2008 Invited participant in Project 111 – Five-year collaborative project to study environmental change and human adaptation in eastern China. Sponsored by the State Ministry of Education and the State Administration of Foreign Experts Affairs, China
- 2007, 08 Nominated for CSUS *Outstanding Research Professor*
- 2007 CSUS, College of Humanities and Social Sciences, Excellence in Research Award
- 2006 INSTAP Research Grant: *Skeletal Biology and Health of Mycenaean from the Athenian Agora*. Awarded: \$5,800
- 2006 *Phi Kappa Phi* Travel Grant to attend International Conference on the Shang Dynasty. Awarded: \$1,000
- 2005 National Geographic Society Grant for *Paleoenvironment and Prehistoric Use of Panxian Dadong Cave, Guizhou, China*. Awarded: \$24,520
- 2003 CSUS, Affirmative Action Grant for skeletal biology research in Greece
- 2002 CSUS, College of Arts, Letters, and Sciences Research Award
- 2001, 02 Nominated for CSUS *Outstanding Research Professor*
- 2001 Wenner-Gren Foundation Grant to fund international conference, *Asia and the Middle Pleistocene in Global Perspective*, East-West Center, Honolulu, Hawai'i, March 2001. Awarded: \$9,000
- 2001 Nominated for the Phi Kappa Phi National Scholar Award
- 2000 Elected to the Honor Society of Phi Kappa Phi, CSU, Stanislaus Chapter 282
- 1998-2001 The Henry Luce Foundation United States-China Cooperative Research Program Grant for *Human Evolution and Behavioral Complexity in the Paleolithic of Southern China*. Awarded: \$85,000
- 1997-1999 National Science Foundation Grant for continuing paleoanthropological excavations at *Panxian Dadong, Guizhou Province, southern China*. Awarded: \$91,038
- 1997-1998 L.S.B. Leakey Foundation Grant in support of *Sino-American Excavations at Panxian Dadong, Guizhou Province, Southern China*. Awarded: \$8,000
- 1996-1997 L.S.B. Leakey Foundation Grant in support of the research project: *Collaborative Sino-American Excavations at Panxian Dadong, Guizhou Province, Southern China*. Awarded: \$12,000
- 1996-1997 Wenner-Gren Foundation International Collaborative Research Grant in support of the project: *Collaborative Sino-American Excavations at Panxian Dadong, Guizhou Province, Southern China*. Awarded: \$18,400
- 1996 Nominated to apply for a fellowship at the Center for Advanced Study in the Behavioral Sciences, Stanford, California
- 1993-96 Research, Scholarship and Creative Activities Grant, CSU, Stanislaus
- 1994 Grant Incentive Program (GRIP) recipient, CSUS, Research and Grants
- 1994 Nominated for the American Association of University Women Recognition Award for Emerging Scholars
- 1993-95 Affirmative Action Grant, California State University, Stanislaus
- 1991 National Research Council Travel Grant to participate in the XIII INQUA Congress, Beijing, People's Republic of China
- 1988 Graduate Summer Research Support Fellowship, University of Arizona

1987-91 Educational Fund for Archaeology Research Stipend, University of Arizona

RECORD OF PALEOANTHROPOLOGICAL AND OSTEOLOGICAL RESEARCH

- 2011 Skeletal analysis of the Ellinika Tombs, Kalamata, Greece
2010 Skeletal analysis of Mycenaean tholos tomb – POTA Romanou, Greece
2009 Skeletal analysis of Mycenaean chamber tomb burials from Kato Rouga, Hora Museum, Greece and tholos tomb burials from ancient Corinth
2007 Skeletal analysis of Mycenaean burials, National Museum of Archaeology and the Agora, Athens, Greece
2006 Skeletal analyses of the *Daxinzhuang* Shang Dynasty tombs, Shandong University, Jinan, Shandong, People's Republic of China
2005 Preliminary skeletal analyses of the *Daxinzhuang* Shang Dynasty human burials, Shandong University, Jinan, Shandong, People's Republic of China
2002, 2003 Skeletal analysis of Mycenaean (Middle to Late Helladic) tombs associated with the Palace of Nestor, Greece
1996-2005 Collaborative paleoanthropological research at the cave of *Panxian Dadong*, Guizhou province, People's Republic of China
1994-96 Osteological research (non-metric cranial and post-cranial traits), Pueblo State Hospital skeletal collection at Colorado College, Colorado Springs
1994 Preliminary archaeological investigations at the cave of *Panxian Dadong*, Guizhou province, People's Republic of China
1993 Field Director of excavations at The Sabino Springs Site, Hohokam (Rincon Phase) Occupation of the Catalina Mountain Foothills, Tucson, Arizona
1992 Field excavations at the Middle Paleolithic locality of La Quina, France
1991 Analysis of archaeological collections at IVPP, Beijing
1987-88 Osteological and lithic analysis of materials from Hawaiian archaeological sites
1987,88,90 Field survey of Pleistocene archaeological sites in the southern Tarim Basin, Xinjiang-Uyghur Autonomous Region, People's Republic of China. Analysis of archaeological collections at the Institute of Vertebrate Paleontology and Paleoanthropology (IVPP), Chinese Academy of Sciences, Beijing

PUBLICATIONS (*Impact Factors, given for publications from 2004-2014, are based on current year reported figures*)

- 2017 Mycenaean Hierarchy and Gender Roles: Diet and Health Inequalities in Late Bronze Age Pylos, Greece. Schepartz, L. A. Papathanasiou, S. Miller-Antonio, S.R. Stocker, J.L. Davis, J.M.A. Murphy, M. Richards, and E. Malapani. For *Bones of Complexity: Bioarchaeological Case Studies of Social Organization and Skeletal Biology*, edited by H. Klaus, A. Harvey and M.N. Cohen. University Press of Florida, p. 141-172.
- 2013 Late Middle Pleistocene Hominin Teeth from Panxian Dadong, South China. Wu Liu, Lynne A. Schepartz, Song Xing, Sari Miller-Antonio, Xiujie Wu, María Martín-Torres, Erik Trinkaus. *Journal of Human Evolution* 64: 337-355.
- 2012 Paleolithic Cultures (Chapter 3) pp. 113-150 and English Summary pp. 167-175. In Huang, Weiwen, Hou Yamei, and Si Xinqiang (eds.) *Multidisciplinary Study of Panxian Dadong: Lower Paleolithic Site of Guizhou in South China*. Science Press: Beijing (in Chinese).

- 2011 No Seat at the Table? Mycenaean Women's Diet and Health in Pylos, Greece. In L.A. Schepartz (ed.) *Anthropology à la Carte*, Cognella Press: San Diego, CA. Pp. 369-384. Schepartz, L. A. Papathanasiou, S. Miller-Antonio, S.R. Stocker, J.L. Davis, J.M.A. Murphy, M. Richards, and E. Malapani.
- 2010 Large Mammal Exploitation in Late Middle Pleistocene China: A Comparison of Rhinoceros and Stegodonts at Panxian Dadong. In D. Curnoe (ed.), *Before Farming* (4) article 2. Schepartz, L.A. and S. Miller-Antonio.
- 2010 Taphonomy, Life History, and Human Exploitation of *Rhinoceros sinensis* at the Middle Pleistocene Site of Panxian Dadong, Guizhou, China. *International Journal of Osteoarchaeology* 20(3): 253-268. L.A. Schepartz and S. Miller-Antonio.
- 2009 Differential Health and Status Among Mycenaean of Messenia: Status, Sex, and Dental Health at Pylos, In L.A. Schepartz, S. Fox and C. Bourbou (eds.). *New Directions in the Skeletal Biology of Ancient Greece*, American School of Classical Studies Press, Princeton, N.J. Pp. 155-174. L. Schepartz, S. Miller-Antonio, and J. Murphy.
- 2008 Pleistocene Climate in Southwestern China: Inferences from the Stratigraphic Record of Panxian Dadong Cave, Guizhou. Panagiotis Karkanas, Lynne A. Schepartz, Sari Miller-Antonio, Wang Wei, and Huang Weiwen. *Quaternary Science Reviews* 27: 1555-1570.
- 2007 Pei Wenzhong, Contribution to the *New Dictionary of Scientific Biography*, Charles Scribner/Thomson Gale. Pp. 56-62. A. Hor and S. Miller-Antonio.
- 2006 Paleoenvironment and Site Formation Processes at Panxian Dadong, In Yang Decong (Ed.) *Collected Works for the 40th Anniversary of Yuanmou Man Discovery and the International Conference on Paleoanthropological Studies*. Yunnan Science & Technology Press, Kunming, China. Pp. 302-316. Paraso, C.K., L. Schepartz, S. Miller-Antonio, Wang Wei, Hou Yamei, Si Xinqiang, Liu Jun and Huang Weiwen.
- 2004 Coupled Electron Spin Resonance (ESR)/Uranium-series Dating of Mammalian Tooth Enamel at Panxian Dadong, Guizhou Province, China. *Journal of Archaeological Science* 31: 965-977. Jones, H.L., W.J. Rink, L.A. Schepartz, S. Miller-Antonio, Huang Weiwen, Hou Yamei, Wang Wei.
- 2004 Edited Volume: *The Asian Middle Pleistocene*, a special issue of *Asian Perspectives* (Volume 43, Number 2), co-edited by L.A. Schepartz and S. Miller-Antonio.
- 2004 Lithic Raw Material Use at the Late Middle Pleistocene Site of Panxian Dadong. *Asian Perspectives* 43(2): 314 -332. Miller-Antonio, S., L.A. Schepartz, P. Karkanas, Y. Hou, W. Huang, and D. Bekken.
- Panxian Dadong, South China: Establishing a Record of Middle Pleistocene Climatic Changes. *Asian Perspectives* 43(2): 302 -313. Wang Wei, Liu Jun, Hou Yamei, Si Xinqiang, Huang Weiwen, L. Schepartz and S. Miller-Antonio.
- Taxonomic Abundance at Panxian Dadong, a Middle Pleistocene Cave in South China. *Asian Perspectives* 43(2): 333 – 359. Bekken, D. L.A. Schepartz, S. Miller-Antonio, Hou Yamei, and Huang Weiwen.

- A Conversation with Huang Weiwen: Reflections on Asian Paleolithic Research. *Asian Perspectives* 43(2): 197 – 206. Miller-Antonio, S. and L.A. Schepartz.
- Introduction to *Asia and the Middle Pleistocene in Global Perspective*, Special Issue of *Asian Perspectives* 43(2): 187 – 190. Schepartz, L.A and S. Miller-Antonio.
- 2003 Electron Spin Resonance (ESR) Dating of Tooth Enamel at Panxian Dadong Cave, Guizhou, China. In Chen Shen and S.G. Keates (eds.), *Current Research in Chinese Pleistocene Archaeology*, BAR International Series, Oxford. Pp. 111 -118. Rink, J., L.A. Schepartz, W.Huang, Y. Hou, S. Miller-Antonio, D. Bakken, D. Richter and H. L. Jones
- Faunal Approaches to Site Formation Processes at Panxian Dadong. In Chen Shen and S.G. Keates (eds.), *Current Research in Chinese Pleistocene Archaeology*, BAR International Series, Oxford. Pp. 99 – 110. Schepartz, L.A., D. Bakken, S. Miller-Antonio, C.K. Paraso and P. Karkanas
- 2001 The Ordosian Tradition of North China. Invited contribution to the *Encyclopedia of Prehistory, Vol. 3, East Asia and Oceania*. Peter N. Peregrine and Melvin Ember, editors. Published in conjunction with Human Relations Area Files at Yale University, Kluwer Academic/Plenum Publishers, Chapter 30, Pp. 274-282. Miller-Antonio, S.
- New Directions in Paleolithic Archaeology: Asia and the Middle Pleistocene in Global Perspective. *Current Anthropology* 42(5): 747-749. Miller-Antonio, S., L.A. Schepartz and D. Bakken.
- 2000 Raw Material Selection and Evidence for Rhinoceros Tooth Tools at Dadong Cave, Southern China. *Antiquity* 74(284): 372-379. Miller-Antonio, S., L.A. Schepartz and D. Bakken
- Upland Resources and the Early Palaeolithic Occupation of Southern China, Vietnam, Laos, Thailand and Burma. *World Archaeology* 32(1): 1-13. Schepartz, L.A., S. Miller-Antonio and D. Bakken.
- Early Palaeolithic Occupation of Southwestern China and Adjacent Areas of Vietnam and Thailand. *Acta Anthropologica Sinica*. Supplement to Volume 19, Proceedings of '99 Beijing International Symposium on Paleoanthropology, Pp. 122-127. Schepartz, L.A., S. Miller-Antonio and D. Bakken.
- 1999 Book review of *The Archaeology of Northeast China: Beyond the Great Wall* by Sarah M. Nelson. *Asian Perspectives* 38(2): 258-260. Miller-Antonio, S.
- 1997 Middle Pleistocene Human Adaptations to the Southern Chinese Landscape. (Abstracts of the Paleoanthropology Society Meetings), *Journal of Human Evolution* 32: 4, p. A18-19. Schepartz, L.A. and S. Miller-Antonio
- Differential Preservation of Lithics on Quaternary River Terraces in Northwest China. *Current Research in the Pleistocene*, Volume 14, p. 60-63. Miller-Antonio, S.
- 1995 Excavations at the Stratified Cave of Panxian Dadong, Guizhou Province, Southern China. *Current Anthropology* 36(5): 844-846. Huang Weiwen, Si Xinqiang, Hou Yamei, S. Miller-Antonio and L. A. Schepartz.

- Book review of *Americanization, Acculturation and Ethnic Identity: The Nisei Generation in Hawai'i* by Eileen H. Tamura. *Locus* 7 (2): 192-193. Miller-Antonio, S.
- 1993 Book review of *Ancient Sichuan and the Unification of China* by Steven Sage. *Asian Perspectives* 32(2): 255-256. Miller-Antonio, S.
- 1992 The Paleolithic in Southern China. *Asian Perspectives* 31(2): 129-160. Olsen, J.W. and S. Miller-Antonio
- 1992 Lithic Variability and The Cultural Elaboration of Upper Pleistocene North China. Ph.D Dissertation. S. Miller-Antonio, Department of Anthropology, University of Arizona
- 1989 The University of Arizona-Chinese Academy of Sciences Joint Investigation of the Prehistory of Southern Xinjiang: Results of the 1986 and 1987 Campaigns. *Central and Inner Asian Studies* 3: 57-82. Olsen, J.W., R. Reeves, Huang Weiwen, S. Miller-Antonio and Lei Jiaqiang.
- 1988 Effects of Firing Temperatures on the Fate of Naturally Occurring Organic Matter in Clays. *Journal of Archaeological Science* 15: 403-414. Johnson, J.S., J. Clark, S. Miller-Antonio, V. G. Robins, M.B. Schiffer and J.M. Skibo.
- New Discoveries of Stone Artifacts on the Southern Edge of the Tarim Basin, Xinjiang. *Renleixue Xuebao (Acta Anthropologica Sinica)* 7(4): 294-301. (in Chinese with English abstract) Huang Weiwen, J.W. Olsen, R. Reeves, S. Miller-Antonio and Lei Jiaqiang.
- 1983 Analysis of Human Milk Samples Collected in Hawai'i for Residues of Organochlorine Pesticides and Polychlorobiphenyls. *Bulletin of Environmental Contamination and Toxicology* 30: 606-613. Takei, G. H., S. Kauahikaua (Miller-Antonio) and G. Leong.

PAST ADMINISTRATIVE EXPERIENCE

Interim Associate Dean, College of Humanities and Social Sciences, CSU Stanislaus (2008 – 2010)

Communication and Organizational Skills

- Assisted in managing the academic schedule for the College of Humanities and Social Sciences, including 10 departments, 15 undergraduate programs, and 5 graduate programs
- Assisted in the recruitment and hiring of tenure-track, lecturers and part-time faculty
- Worked collaboratively with Department Chairs to assure accurate faculty workload and progress toward departmental enrollment targets
- Mediated and resolved student and faculty issues
- Promoted the visibility of faculty in the College by organizing and publicizing faculty research presentations
- Lead role in writing the mission and vision statement for the newly formed College
- Assisted in securing global initiatives grant for international faculty travel
- Served in place of the Dean on the University-wide Graduate Council and the CHSS Curriculum Committee

Budget Management and Resource Development

- Assisted in prioritizing budgetary decisions for approximately \$10 million CHSS budget
- Worked with the Dean to develop budget reduction strategies

- Established a *Peace, Sustainability, and Social Justice* scholarship fund and research award
- Facilitated new program development for self-support programs
- Served as a resource in the review process for the Social Sciences waiver program and was successful in program reinstatement

Mentoring

- Shared grant writing and research design expertise and mentored faculty in the proposal writing process
- Mentored new department chairs
- Mentored new faculty in professional development

Chair, Department of Anthropology/Geography, California State University, Stanislaus (2000-03, 2006-09)

Selected program accomplishments under my leadership:

- Revised and updated the Anthropology Major
- Developed new interdisciplinary tracks in forensic anthropology and medical anthropology
- Established a forensic anthropology lab
- Increased course enrollments; increased the number of Anthropology majors by 59%
- Initiated field schools in ethnography and archaeology and promoted experiential education opportunities
- Successfully hired 4 new faculty in challenging budget environments
- Reclassified the office administrative staff to higher salary and responsibility level
- Successfully completed two academic program reviews for Anthropology
- Co-authored new MA program proposal in Digital Media and Visual Anthropology
- Established and maintained a high level of collegiality within the department

Chair, Ethnic and Gender Studies Department, California State University, Stanislaus (2005-08)

Selected program accomplishments under my leadership:

- Gained a faculty position in African American Studies
- Gained an office staff position
- Successfully built and maintained a collegial departmental environment
- Assisted in writing the proposal for the new major in Ethnic Studies
- Successfully mentored new department chair

TEACHING RESPONSIBILITIES AND PROFESSIONAL SKILLS ENRICHMENT

Current: Introduction to Physical Anthropology, Human Evolution, Primates: Past and Present, Primate Social Behavior, Bodies of Evidence (Human Osteology and Forensic Anthropology), Talking Skeletons: Case Studies in Forensic Anthropology, Peoples and Cultures of Asia, Travelers in Time (Liberal Studies Integrative Course), The Great Discoveries, The World on a Plate: Humans and Food

Former: Ancient Asian Civilization, Zooarchaeology Lab, Introductory Archaeology, The Minority Experience, Asian American Families, Contemporary Asian American Studies, Asian American Images in the Arts and Media, The Ethnoecology of Southeast Asia

Participant in STEPS: Science Teacher Enrichment Project of Stanislaus, Institute for teaching multidisciplinary sciences in the public schools – June 1994

Participant in the CSU K-12 Linkage Conference, Sonoma State University, April 1996

Participant in CSUPERB: laboratory workshop in molecular biology and DNA technologies. June 1996

Participant in the NEH funded Summer Faculty Institute in Southeast Asian Cultures at the East-West Center, University of Hawai'i, Honolulu, Hawai'i, June-July 1997

Participant in CSUS workshop: Implementing Technology in the Classroom, June 1998

Participant in the Summer Faculty Institute on Korean Culture and Society, funded by the Korea Foundation and the Asian Studies Development Program at the East-West Center, Honolulu, Hawai'i. June 2004

UNIVERSITY COMMITTEES AND SERVICE

2012-2014 CAHSS Budget and Planning Committee
2011-2012 University Retention, Promotion, and Tenure Committee (URPTC)
2008-current College Curriculum Committee, Dean's representative (ex-officio)
1994-2012 Masters Interdisciplinary Studies Committee
Committee Chair (1995-96)
2004-05 Search Committee, Dean of Arts, Letters, and Sciences
2003-05 Research, Scholarship, Creative Activities Policy Committee (Chair, 04-05)
2002-03 Search Committee, Director of Research and Sponsored Programs
2000-04 Co-Principal Investigator for PIME (Program in International and Multicultural Education)
1999-04 Gender Studies Advisory Committee
1999-00 Director of the CSUS Women's Center
1999 Globalization Task Force, CSUS
1998, 2000 Faculty Juror, CSUS Student Research Competition
1998-00 Academic Senator for Department of Anthropology/Geography
1997-99 Faculty Advisor for Asian Heritage Day
1997-99 Faculty Research Advisory Panel
1997-98 CSUS Grants and Sponsored Programs Director Search Committee
1996-2006 Faculty Co-Advisor for the Hmong Student Association, CSUS
1996-97 College of Arts, Letters and Sciences Strategic Planning Workgroup
1996 Faculty Associate Director for the Office of Research and Grants (Nov. – Dec.)
1995-99 Faculty Advisor for the Anthropology Club, CSUS
1995-98 CSU, Stanislaus Research Journal – Founding Editorial Board
1995-98 CSU, Stanislaus Research Journal – reviewer
1994-95 Academic Senator for Ethnic and Women's Studies Department
1994-97 Instructionally Related Activities (IRA) Advisory Committee
1994 Faculty judge for CSU Student Research Competition

OTHER PROFESSIONAL SERVICE

Grant Reviewer for NEH - Old World Archaeology Awards – February 2008

Conference co-organizer for *Asia and the Middle Pleistocene in Global Perspective*. Held at the East-West Center, University of Hawai'i, Honolulu, Hawai'i, March 2001

Grant proposal referee for: National Science Foundation (NSF); The L.S.B. Leakey Foundation, The Wenner-Gren Foundation for Anthropological Research, The Hong Kong Research Council, National Geographic Society, National Research Council (Johannesburg, South Africa)

Manuscript referee for: *Journal of Archaeological Science, Asian Perspectives, Antiquity, Chinese Science Bulletin*

PROFESSIONAL MEMBERSHIP

Society for American Archaeology
Paleoanthropological Society

COMMUNITY SERVICE – CASEWORK IN FORENSIC ANTHROPOLOGY

Consultant to the Stanislaus County Coroner's Office, Modesto, CA (2000-2018)
Consultant to the San Joaquin County Coroner's Office, French Camp, CA (2005 – 2012)
Arizona State Museum, Human Identification Laboratory, Reports submitted to the Office of the Medical Examiner, Pima County, Tucson, AZ (1987-1992)

PROFESSIONAL PRESENTATIONS

Burnt, Stained, or Lost Forever? Taphonomy and Bone Patterning at Panxian Dadong, South China. Paper for the Archaeological Institute of America (AIA), 2013 Annual Meeting, Seattle, WA. L.A. Schepartz and S. Miller-Antonio

Taphonomy and Bone Patterning at Panxian Dadong. Paper for the Sino-African Collaboration Symposium, May 30, 2012. L.A. Schepartz and S. Miller-Antonio.

Ritual, Shang Identity and Social Complexity at Daxinzhuang, A Middle-Late Shang (1300-1100 BC) Site in Shandong Province. 19th Congress of the Indo-Pacific Prehistory Association, Hanoi, Vietnam. December 2009. With L.A. Schepartz and Fang Hui.

Late Middle Pleistocene Climate in Southwestern China: Inferences from the Stratigraphic Record of Panxian Dadong, Guizhou. International Symposium on Paleoanthropology in Commemoration of the 80th Anniversary of the Discovery of the First Skull of Peking Man, Beijing, China, October 2009. With P. Karkanas, L.A. Schepartz, Wang Wei, and Huang Weiwen.

Paleolithic Feng Shui: Cave Use and Environmental Change in the Chinese Middle Pleistocene. Invited presentation for the Smithsonian Institution Seminar, *Ancient China Revealed: Recent Discoveries in Archaeology*. Washington, D.C. June 20-21, 2008.

Taphonomy, Life History, and Human Exploitation of *Rhinoceros sinensis* at the Middle Pleistocene Site of Panxian Dadong, Guizhou, China. Presented at the Society for American Archaeology annual meetings. Vancouver, Canada, March 2008.

Mortuary Practices and Social Distinctions at Daxinzhuang. Paper presented at the International Conference on the Shang Dynasty, Centre for East Asian Studies, Shandong University, Weihai City. With L.A. Schepartz and Fang Hui. August 2006

Paleoenvironment and Site Formation Processes at Panxian Dadong. Paper presented at the Conference Commemorating the 40th Anniversary of the Discovery of Yuanmou Man. Paraso, C.K., L. Schepartz, S. Miller-Antonio, Wang Wei, Huang Weiwen, Si Xinqiang, Liu Jun and Hou Yamei. Kunming, April 2005

The Later Mycenaeans of Pylos: Skeletal Biology of the Tsakalis, Kondou, and Kokkevis Tomb Populations. With L.A. Schepartz. Paper presented to the Archaeological Institute of America, Boston, MA., January 2005.

Temporal Perspectives on the Mycenaeans of Pylos: The Palace of Nestor Grave Circle Burials and Neighboring Tombs. With L.A. Schepartz. Paper presented in the session *Bioarchaeology in Greece: Current Aspects and Future Perspectives*, Paleopathology Association Meetings, Durham, UK, August 2004.

Dadong Lithics: Differential Raw Material Use and Correlations with the Stratigraphy and Dating. Paper presented at the conference on *Asia and the Middle Pleistocene in Global Perspective*, East West Center, Honolulu, Hawai'i, March 2001.

Electron Spin Resonance (ESR) Dating of Mammalian Tooth Enamel at Panxian Dadong, Guizhou Province, China. Paper presented to the Geological Society of America annual meeting, Boston, Mass. November 2001 (co-authored, H.L. Jones, 1st author and presenter)

Faunal Approaches to Site Formation Processes at Panxian Dadong. Paper presented at the Society for American Archaeology, 65th annual meeting, Philadelphia, PA, April 2000. (co-authored, Schepartz 1st author and presenter)

Electron Spin Resonance (ESR) Dating of Tooth Enamel at Panxian Dadong Cave, Guizhou, China. Paper presented at the Society of American Archaeology, 65th annual meeting, Philadelphia, PA, April 2000. (co-authored, W. J. Rink, 1st author and presenter)

Raw Material Utilization and Evidence for Non-Lithic Technology at Dadong Cave, Southern China. Paper presented at the International Symposium on Paleanthropology, Beijing, China, October 1999.

Collaborative Excavations at Panxian Dadong, a Paleolithic Cave in Guizhou Province, Southern China and Taphonomic Studies at the Cave of Panxian Dadong. Two invited papers presented at the Society for American Archaeology, 63rd annual meeting, Seattle, Washington, March 1998.

Paleolithic Excavations and Collaborative Research at the Karst Cave of Panxian Dadong, Guizhou Province, Southern China. Lecture given to the University of Hawai'i Archaeological Field School, Hilo, Hawai'i, July 1997.

Middle Pleistocene Human Adaptations to the Southern Chinese Landscape. Paper presented at the Paleanthropology Society, annual meeting, St. Louis, Missouri, April 1997

Ancestry and Non-Metric Traits in Three Skeletal Collections. Paper presented at the American Association of Physical Anthropologists, 65th annual meetings, Durham, NC, April 1996

Preliminary Excavations at the Cave of Panxian Dadong, Guizhou Province, Southern China. Paper presented at the Society for American Archaeology, 60th annual meetings, Minneapolis, Minnesota, May 1995. Chair, Old World Archaeology General Session

Discrete Traits as Indicators of Ancestry. Paper presented at the American Association of Physical Anthropologists, 64th annual meetings, Oakland, CA, April 1995

Skin and Bones: Perceptions of Race. Lecture presented to the Department of Anthropology, Oregon State University, Corvallis, Oregon. January 1995

New Perspectives on Paleolithic Archaeology in Northern China. Lecture presented to the Department of Anthropology, University of Hawai'i, Honolulu, Hawai'i. February 1992

Archaeological Site Formation in Arid Regions: A Case Study from the Quaternary River Terraces of the Southern Tarim Basin, Xinjiang. Presented at the XIII INQUA Congress Symposium of Geoarchaeology, Beijing, China, August 1991.

CAMPUS AND LOCAL COMMUNITY PRESENTATIONS

Great Strides in Human Evolution, Campus presentation for the Spring Biology Department Colloquium. April 7, 2006.

Back from the Field: Archaeological Investigations at Panxian Dadong, Campus presentation in celebration of International Week. April 2005.

An Overview of Forensic Anthropology. Presentation at the Stanislaus County Sheriff's Department to members of the Stanislaus and San Joaquin law enforcement community. July 2003.

A Big Cave in Rural China. Campus presentation at the John Stuart Rodgers Faculty Development Center. CSUS, April 2003.

Archaeological Excavations in southern China. Community presentation to the Gem and Mineral Society of Stanislaus County, Empire, CA, October 2002.

Excavations at the Middle Pleistocene Cave of Panxian Dadong. Lecture given to archaeology students at University of Hawai'i, Hilo, April 2001.

Chinese Civilization and Culture. Presentation to 6th graders at Julien Public School, Turlock, CA, January 2001

Digging For Our Ancient Human Ancestors. Presentations to 6th graders at Julien and Dutcher Public Schools, Turlock, CA, September 2000

Current Research at Dadong Cave, Southern China. Presentation to the ALS Advisory Board, April 2000 and to the Foundation Board of Trustees, June 2000.

Archaeological Excavations in China. Workshop for HiMAP-G Math/Science Conference: *Expanding Your Horizons*, CSUS, March 2000.

Ancient Humans in China. Presentation to 6th graders, Merced School District, February 2000,

Ancient China: Linking the Past to the Present. Workshop for PIME. January 2000.

The Perception of Home, Homelands and Borderlands Among Ethnic Groups in China, Presentation to the Honors Seminar 1965, CSUS, September 24, 1999.
