Summer 2022 Program Information
Free Program, Free Laptop, + $500 Stipend

What Programs will be offered?
- hustle: Tech Foundations
  - This is where you start your hustle into tech! Learn the foundations of software development and Python that will be the base of your tech knowledge.

- build: Data Science
  - Build on your foundations with our Data Science courses! Engage and identify socio-technical solutions and learn how to develop a proposal.

Who should apply?
- Black, Latinx, Indigenous and AAPI folks ages 16 to 25 who are curious about technology and excited to engage throughout the program. *No experience required*

What you get!
- The potential to earn up to $500
- Develop strong relationships with a peer community
- Discuss the social justice aspects of technology and how it relates to our lives and communities

Program Dates
- hustle: June 21st to Aug 11th
- build: June 21st to Sept 3rd
  - *Both programs will be virtual Mon and Thurs from 10 - 12:30pm PST, 2hrs on Tues or Wed for group & instructor check in. Exact time TBD*
