

# Student Internship!

Position :

**PCC Field Placement at  
Hughson Unified School District**

With many new job opportunities opening up for school mental health clinicians, we are looking for practicum students who are interested in learning how to support students social-emotional and mental health needs under the supervision of an LMFT.

This on campus placement opportunity offers a \$500 stipend upon successful completion of the year internship.

**Send interest emails to  
Jennifer Baker, LMFT  
[jbaker@stancoe.org](mailto:jbaker@stancoe.org)**

This placement opportunity is for the 2022-2023 school year and open until filled
