LIBS 4960 COURSE POLICIES AND REQUIREMENTS

Senior Seminar is a summative assessment course and as such, **requires demonstration of competency in all subject matter areas to earn a passing grade.**

All work you submit must be your own. Your name / student ID on an assignment is taken as assurance that the work in that assignment reflects your own thoughts and study.

Plagiarism and any other form of academic dishonesty will result in an “F” for the assignment, and probably the course. The instructor can refer a student who has engaged in academic dishonesty to the Student Discipline office. If the academic dishonesty encountered is not the first attempted by or reported of a student, that student may be dismissed from the university.

Assignments are due as scheduled. Late assignments will not be accepted. **Keep a copy of everything you turn in.**

Class attendance and participation are important and valuable to your course grade. Absences for **ANY** reason will result in a reduction of the attendance/participation points. The more classes missed, the greater becomes the penalty. Tardy students and those leaving class early will not receive attendance credit for the day. **Attendance is MANDATORY on presentation days!** Please do not enter the classroom if you are late and a presentation is already in progress. Wait for that presentation to conclude.

Appropriate listening behavior is important to speakers. Students are expected to be attentive. Studying, reading or visiting during presentations is inappropriate and will be noted. *Please silence all cell phones.*

I encourage you to come see me during office hours or by appointment if you have any questions or concerns about the class. Please use email only to set up an appointment or for minor questions. Emails sent to me in the evening may not get a response until the next day; emails sent on a weekend may not get a response until Monday.
