

EARLY FIELD EXPERIENCE VERIFICATION FORM

Student Name: _____ Student ID: _____

Goals of Early Field Experience:

The main purposes of the Early Field Experience Requirement are to observe: 1) the texts and instructional materials used in schools; 2) the student interactions; 3) the student/teacher interactions; 4) the grouping of students for instruction; 5) the classroom management strategies used by the teacher; 6) the planning and delivery of lesson plans; and 7) how schools function. **A total of 45 hours are required. The hours must come from a grade level appropriate for the credential program to which you are applying.**

Option 1:

Observation in schools: Attach letters on **school letterhead** signed by administrators or teachers verifying your observation time. The letters need to include your name, the beginning and end dates of the time you spent at the school site (i.e., from MM/DD/YYYY to MM/DD/YYYY), grade level observed and total number of hours.

Option 2:

If you completed a college course that required field experience attach a catalogue description that shows the number of hours required. **If there is no catalogue description showing the number of hours, you must get a signature from the course instructor. (Attach additional verification of course information if needed)**
