**Consent for CSUS Mentor
Turlock Unified School District**

Date: _____

Dear Parent/Guardian:

It has been recommended that your child, _____, become involved in our on-site mentor services with a student from California State University Stanislaus (CSUS), which may include individual or small group activities designed to facilitate growth in the areas of personal and social development. These sessions will meet on a regular basis for up to thirty (30) hours during the semester.

These mentor services provide an opportunity to gain support in school/personal adjustment issues and to discuss common concerns, problems, and goals with university level students. All group/individual communication is confidential and private. Please understand that the rights of confidentiality do not apply to information that suggests the student intends to harm him/herself, intends to harm others, or in any way their overall welfare. Also understand that by law, school personnel must report to the proper authorities any suggestion made by the child of child abuse and/or neglect that might have occurred.

If you have any questions regarding these mentor services please call the Director of Student Services at 209-667-0887.

If you give permission for your child to participate in these mentor services with a CSUS student, please sign below.
