Senior Presentations: 15 minute time slots for each presentation, including brief Q&A; Students have been asked to make presentations 10-12 minutes long

Junior Posters: 5 minute time slots for each poster. All posters in a session will be saved in a single PowerPoint/PDF, posters will be shared on the screen by staff, students will have 2-3 minutes to introduce/summarize their poster, leaving 2-3 minutes for Q&A before staff advances to next poster. Posters will be archived on 22nd Annual Capstone Conference website. Virtual session will be recorded unless people object.
