ADMISSION INFORMATION

The San Joaquin Delta College Psychiatric Technician Program is a 46-week educational program approved by the State of California's Board of Vocational Nursing and Psychiatric Technicians (BVNPT). The program prepares graduates to take the State of California licensing examination. Licensed Psychiatric Technicians are qualified to practice in a variety of health care settings and provide patient care within the parameters of the Psychiatric Technician scope of practice. A San Joaquin Delta College Certificate of Achievement is awarded upon successful completion of the program. An Associate of Science in Psychiatric Technician is awarded upon successful completion of other general education courses that satisfies the college degree.

For complete admission information and forms visit the Health Sciences Division home page. The Health Sciences home page may be accessed by selecting "Health Sciences" under "Academics" on the Delta College home page, (www.deltacollege.edu), or directly at: <http://www.deltacollege.edu/div/hs/pthome.html>. The Health Sciences Division office is located in Locke 203 and may be reached by phone at (209) 954-5454.
