ADDITIONAL INFORMATION						

Radiologic Technology is a 24-month program offered by San Joaquin General Hospital and approved by the Joint Review Committee on Education in Radiologic Technology. Completion of the program allows graduates to take the state and national examinations for registration in Medical Radiologic Technology. A 40-hour per week training schedule is maintained. Classes begin on or about July 1 of each year. All courses must receive a C or better and a 2.5 GPA across all 8 courses.

For complete admission information and forms visit the Health Sciences Division home page. The Health Sciences home page may be accessed directly at: <https://deltacollege.edu/program/radiologic-technology>. The Health Sciences Division office is located in Locke 213, and may be reached by phone at (209) 954-5454.

This articulation grid is produced by the Central Yosemite Region Articulation Network. CYRAN is a partnership of the following institutions: California State University Stanislaus, Columbia College, Merced College, Modesto Junior College, San Joaquin Delta College, and University of California Merced.
