EDSE 4815 OR 4915	240			
EDSE 4816 OR 4916	240			
Concurrent Candidates: Extended Clinical Practice EDMS 4191	150			

* Clinical Practice activities will vary by course but may include both direct classroom observation/activities and online observation options. Course instructors will provide details on how to complete Clinical Practice in their courses. You can indicate online videos, ATLAS, etc.

** Provide details on activities completed during the semester (i.e., observed teachers via Atlas; evaluated instruction using the 5D+ rubric.).

You must submit this log along with the Daily Hour Logs to Field Services fieldservices@csustan.edu upon placement completion. You will not be recommended for your Preliminary Credential if this documentation is missing.
