<b>RE:</b>	Art – Academic Program Review Substitution – NASAD Self Study

Thank you for joining me to discuss the Academic Program Review self-study substitution and specialized accreditation for the Art Department. I appreciated our discussion regarding your current plans for the department and interim report issues for NASAD including the conversion and hiring of faculty positions; facilities renovation, maintenance, and conversion; and curricular revisions.

Please keep our office informed as you continue through the accreditation process and updated regarding timelines and due dates.

The result of this Academic Program Review is that your Program is approved for continuance.

Sincerely,

Richard Ogle, Ph.D.  
Provost and Vice President for Academic Affairs
