NOTES:

LIBS Department accepts courses **NOT** listed on page 1. Students completing a course not listed should visit the **Liberal Studies Department website at: www.csustan.edu/liberal-studies for information on petitions, advising guides and forms.**

The AA-T for Elementary Teacher Education is now the recommended pathway for students wishing to transfer to the Liberal Studies Major at Stanislaus State. Courses in the AA-T as well as additional courses listed on page 1 from Columbia, Merced, Modesto, and Delta Colleges fulfill the Elementary Subject Matter Competency (in lieu of the CSET Multiple Subject exam) observing the following:

- a. Choosing from options satisfying the standard GE requirements can satisfy most of the Liberal Studies subject requirements. **The Liberal Studies Department website provides the appropriate Stanislaus State course selection and a Sample Road Map that combines California Commission on Teacher Credentialing (CCTC) requirements with the GE.** All courses, excluding labs and unless otherwise noted, require a minimum of 3 semester units or approval of the Liberal Studies Department Chair.
- b. Lower-division courses do not fulfill the upper-division major requirements.
- c. The CCTC requires Liberal Studies Majors complete each of the Subject Matter Preparation Program Requirements with a grade of C- or better.
- d. The courses that satisfy the CCTC requirement in Early U.S. History and American Government will differ from those community college courses certified for completion of the CSU's US History/Constitution/American Ideals requirement. See the community college catalogs for approved courses.
