

As you plan your Fall 2024 semester schedule, please remember to work into your schedule the courses you need to complete to maintain “good standing” in the Honors Program. To assist you in identifying which courses these might be, we’re sending you this communication to confirm the Honors courses available to you in Fall 2024. Please use the information below to figure out which classes you’ll want to take based on you standing (i.e. if you’ll be a sophomore next year, you’ll want to focus on the Sophomore Experience classes and any Freshman Experience classes you still need that you weren’t able to fit into your schedule this year).

We’re also attaching a copy of the Honors advising checklist you can use to keep track of your progress and plan for classes you’ll want to take in future semester.

As always, we do not require you to take Honors classes to meet a GE requirement you’ve already fulfilled through AP credit or as a prerequisite/corequisite course in your major. If there are scheduling conflicts between classes you need for your major and Honors classes we are expecting you to take at this point in time, we recommend you take the class for your major now and pick up the Honors class in a future semester. Please contact us in advance so we are all on the same page, and let us know if you’d like our help in resolving specific conflicts.

We’d also like to remind you that you will **not** need **permission numbers** to register for our courses (*apart from one exception, highlighted below in yellow*). Your status as an Honors student will allow you to enroll in Honors classes without a permission number (students outside the program are not able to add Honors classes). This means you’ll be able to re-arrange your schedule (including changing to a different section, choosing a different Honors class, etc.) as needed without requesting new permission numbers.

It also means that we won’t be able to give you advising advice if you don’t get in touch to **ask questions**, so please be sure to read the recommendations below carefully and let us know if you have questions, if you’d like suggestions, or if you just want to run your schedule by us to make sure you’re on the right track. We’re happy to “talk” over email or set up a Zoom advising appointment with Jim—just let us know!

If you have any difficulty registering for classes, please email (khalstead@csustan.edu) and let us know so we can get things worked out for you.

Please note that classes marked ** also meet the University Multicultural Requirement.

Please contact us by email with any questions,

Thanks!

Ellen B. and Jim T.

eebell@csustan.edu & jtuedio@csustan.edu

Important Note on Class Standing Information and the Honors Classes to Focus on Taking:

If you will be a **sophomore** next year (2nd year on campus and/or 30-59 units completed), please select any classes you haven't yet taken from those listed **above** the line that looks like this: *****

If you will be a **junior** next year (3rd year on campus and/or 60-89 units completed), please select any classes you haven't yet taken that are listed **above** the line that looks like this: #####

If you will be a **senior** next year (4th year on campus and/or over 90 units completed), please select any classes you haven't yet taken yet that are listed **above** the line that looks like this: %%%%%%%%%

Here are the Honors courses available to you in Fall 2024:
