Information Regarding Educational Technology M.A. Coursework

Educational Technology Coursework: EDIT 4710 is offered one night per week every fall and spring. The other four EDIT courses are offered on a 2-year rotating cycle as follows:

- EDIT 4710 (3) Fall, odd numbered years [F09] (nights, Tur)
- EDIT 4720 (3) Fall, odd numbered years [F09] (nights, Tur)
- EDIT 5100 (2) Spring, odd numbered years [S09] (online)
- EDIT 5200 (3) Fall, even numbered years [F10] (online)
- EDIT 5300 (3) Spring, even numbered years [S10] (online)

Electives: You need to take 2-7 units of electives. Electives can come from any program, but must be 5000-level courses. The range in elective units accommodates the number of units you wish to enroll in for your project or thesis (variable). You must complete a total of 32 units in the program. Check the current schedule of classes to find interesting and worthwhile electives.

Project/Thesis Units: You may enroll in between 1-3 units for up to two semesters, for a total of 2-6 project or thesis units. Enrollment requires Classified status, and is encouraged near the completion of your program. You must be enrolled in project/thesis units the semester you graduate. A special registration form is required to enroll, and it requires the signature of your selected committee chair (either Dawn Poole or Oddmund Myhre). If you have not yet completed the project/thesis after enrolling in two semesters of units, you will need to enroll in EDGS 7005 for a $125 fee each semester until completion of the project or thesis.

Foundations Courses: You will be required to complete 9 units of EDGS coursework as follows:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Summer</th>
<th>Fall</th>
<th>Winter</th>
<th>Spring</th>
</tr>
</thead>
<tbody>
<tr>
<td>EDGS 5500</td>
<td>Foundations in Education (3)</td>

</tbody>
</table>

EDGS 5510, 5600, and 5610 require Classified status.
EDGS 5510 is a prerequisite for 5600 and 5610.
You can use EDGS 5600 or 5610 as an elective if you take both courses

ADMISSION INTO THE EDUCATIONAL TECHNOLOGY PROGRAM

1. Apply for admission to the university.
2. Forward the following information to Advanced Studies in Education, P348.
   a. Two letters of recommendation from persons other than University professors
   b. Proof of completion of EDIT 4730 OR the combination of EDIT 4600 and 4650 OR EDIT 4170 OR completion of Level I technology proficiency through another institution
   c. Copy of CBEST card that verifies a minimum score of 41 on the writing section
   d. Copy of teaching or service credential
3. Within one calendar year of Provisional admission into the program:
   a. Complete five units of coursework toward the M.A. program, with at least a 3.0 GPA
   b. Submit Miller Analogies Test (MAT) or GRE scores; MAT scores are recommended
