**WAITLIST**
What do you do if you are on a waitlist? **Go to class the first day!!!**

If you are trying to add a class that you are waitlisted for, you have to show up the first day with an Add/Drop Form (these are available online or in the Enrollment Services Office, but you should have received one at orientation). Sit in a seat and listen to the lecture the first day. At the end of class, ask the professor’s permission to add the class, letting the professor know your position number on the waitlist.

If the instructor says yes, they will either give you a permission number to enter in your MyCSUSTAN account that will allow you to enroll yourself in the class, or they will sign your Add/Drop Form which you must submit to our Enrollment Services office **ASAP** to be officially enrolled in the class.

If the instructor says, no, you will have to find an alternative class to add or simply have one less class on your schedule.

**ADD CLASSES**
Once the semester begins, you can only add classes in person. You can add classes up until the census date, which is on October 6th. The only way to add a class once the semester has begun is to get the professor’s permission. Have the professor give you a permission number for your MyCSUSTAN or have the professor sign your Add/Drop Form and submit it to our Enrollment Services office to officially add the class.

**DROP CLASSES**
You can drop classes up until the census date on October 6th. You can either drop a class through your MyCSUSTAN account, or you may fill out an Add/Drop form and submit it to our Enrollment Services office.

If you want to drop a class, **you** must officially drop the class. **Do not assume that by not attending the class that the professor will automatically drop you.** If you are enrolled or waitlisted in a class you do not want, you must drop yourself from that class prior to the census date.

Also keep in mind that professors have the right to drop you from their class if you do not show up the first day. **So, show up to class the first day!**

**IMPORTANT DATES TO REMEMBER:**
- September 9th – First day of the Fall 2009 semester
- October 6th – CENSUS DATE; the last day to Add/Drop courses.
