

# Drop a Class

This guide outlines how to **drop a class** through Student Center self service.

**NOTE: Classes must be dropped by the last day of Add/Drop**

The screenshot shows the Student Center interface. In the 'Academics' section, the 'Drop a Class' link is circled in red. A red arrow points from this link to the right. To the right of the screenshot, there is a bullet point: 'Select Drop a Class'.

The screenshot shows the 'Drop Classes' page. At the top, there are navigation buttons: 'my class schedule', 'wish list', 'class search', 'add', 'drop', 'swap', and 'edit'. Below this is the heading 'Drop Classes' and a sub-heading '1. Select classes to drop'. A note says 'Select the classes to drop and click Drop Selected Classes.' Below that, it says '2008 Fall | Undergraduate | CSU Stanislaus'. There is a legend for status: a green checkmark for 'Enrolled', a blue 'X' for 'Dropped', and a yellow triangle for 'Wait Listed'. A table lists three classes. The third class, 'MKT 4420-001 (43646)', has its checkbox checked and circled in red. Below the table is a 'View Details' button. At the bottom right, a green button labeled 'DROP SELECTED CLASSES' is circled in red. To the right of the screenshot, there are two bullet points: 'Check the box(es) of the class(es) you want to drop' and 'Click on DROP SELECTED CLASSES'.

- In the **Message** area you will see whether or not your removal request was successful

Note: if you receive an error and the class is not removed successfully, it can be due to a number of different reasons. Some examples include:

- student is enrolled in classes that are co-requisites, can't drop one without the other
- student's enrolled units may drop below the minimum required units per term

- You may view **My Class Schedule**
- Or, you may use any of the **tabs along the top** to access other areas of your profile
