College of Education

Team LEARN

April 26, 2012

2:30 p.m. – 5:00 p.m.

Faculty Development Center

Minutes

Attendees: Kathy Norman, Kathy Shipley, Christy Gonzales, Elmano Costa, Doug McCreath, Sonny DaMarto, Kandy Woerz, Anne Newins, and Provost Strong

I. Introduction and Overview by Kathy Norman:

- President leaving
- New Ed.D. Director coming
- Holistic Review of programs
- Supervision costs are an issue
- Provost welcomed the Advisory Committee and the (2) COE Department Chairs

II. An update from Kathy Norman on the NCATE focus visit

- “Strength” of our community relations which includes Team LEARN

III. Discussion with Provost-State of Affairs of Colleges and University

- Partnering is important to CSUS
- Many of our CSUS students working in their school district
- Student can register for Early Start I n May
- Will be some Spring 2013 admissions
- Students will have to ask for special permission
- Early Start started in Chancellor’s office for students to get a head of the game when starting college
- Need to encourage high school student to take advantage of the Early Start program
- If they don’t they may come into some problems when enrolling
- Search has not started for a new president
- There are currently 5 or 6 CSU presidential openings listed on the CSUS website
- Chancellor will be coming next week to talk to Senate in regards to the search

IV. Budget Cuts

- Planning process for budget cuts
- 200 million dollars in reserves
- 5% cut in addition to a 100 million dollars in budget cuts this year

V. Reorganization

- College of Education will add Social Work in University reorganization
- College of Human and Health Services will be disbanded and spread out within other colleges
- May or may not make a change with College of Arts

VI. Enrollment & Tuition

- Very tight with enrollment
- 6615 FTES next year
- CSU Board of Trustees is not open to CSU’s tuition increases

- More outstanding debt in student loans
- Raised tuition less than the state cuts in funding
- For every \$1 increase CSU gets 67 cents balance to financial aid
- Federal loans going to for-profits
- Federal dollars will not be repaid

VII. Community Colleges

- Are struggling
- Important CSUS work together with the community colleges
- Currently Liberal Studies has 650 majors-they love the field work

VIII. Teaching in the future

- A lot of baby boomers retiring this year
- There will be a lot of positions available in Education
- Turlock Unified has approximately 850 teacher in their district
- Dr. DaMarto stated he would like to see the community honor the University more
- The college should be the jewel of Turlock
- See some effort to make this happen
- We will have a new Ed.D. Director
- College of Education is under reorganization
- Nursing program will merge to the College of Natural Science
- Practicums are important
- Work on the areas of collaboration next Fall
